1 **NOTICE OF MOTION & MOTION TO ENFORCE PRELIMINARY INJUNCTION**

2 PLEASE TAKE NOTICE that on **July 13, 2023 at 1:00 PM**, or as soon thereafter as  
3 Plaintiffs may be heard, Plaintiffs Coalition on Homelessness (“Coalition”), Toro Castaño, Sarah  
4 Cronk, Joshua Donohoe, Molique Frank, David Martinez, Teresa Sandoval, and Nathaniel Vaughn  
5 (collectively, “Plaintiffs”) will and respectfully do move the Court for an enforcement order to  
6 effectively monitor compliance with the Court’s preliminary injunction pursuant to the Court’s  
7 inherent authority to enforce its orders and for the appointment of a special master pursuant to  
8 Rule 53 of the Federal Rules of Civil Procedure.

9 Plaintiffs’ Motion is brought pursuant to this Court’s inherent authority to enforce and  
10 monitor compliance with its orders. *United States v. New York Tel. Co.*, 434 U.S. 159, 172 (1977)  
11 (federal courts can issue all orders that “may be necessary or appropriate to effectuate and prevent  
12 the frustration of orders”); *Armstrong v. Brown*, 857 F. Supp. 2d 919, 951 (N.D. Cal. 2012) (court  
13 concluding that “a further enforcement order is necessary to ensure compliance”); *see also* 28  
14 U.S.C. § 1651(a). Plaintiffs’ Motion is also brought pursuant to Rule 53 of the Federal Rules of  
15 Civil Procedure, on the grounds that the complexity of this litigation and the current problems  
16 related to Defendants’ compliance with the preliminary injunction warrant appointment of a  
17 special master. *See United States v. Suquamish Indian Tribe*, 901 F.2d 772, 775 (9th Cir. 1990)  
18 (“Masters may also be appointed because of the complexity of litigation and problems associated  
19 with compliance with the district court order.”).

20 Plaintiffs’ Motion is based upon this Notice of Motion and Motion to Enforce the  
21 Preliminary Injunction, the accompanying Memorandum of Points and Authorities, the  
22 Declarations in Support of the Motion and all exhibits and attachments thereto, upon all the  
23 pleadings and papers on file in this action, and upon all oral and documentary evidence that may  
24 be presented at the time of the hearing on this Motion.

25 **STATEMENT OF RELIEF SOUGHT**

26 Plaintiffs respectfully request the Court grant their Motion to Enforce the Preliminary  
27 Injunction as follows:

- 28 i. To declare that additional monitoring is necessary to assess Defendants’

1 compliance with the preliminary injunction due to the complexity of this litigation and the  
2 problems associated with monitoring Defendants' compliance, including the Court's limited  
3 resources to effectively monitor Defendants' interactions with hundreds of unhoused individuals  
4 each month for compliance with the preliminary injunction;

5 ii. To declare that Defendants' non-compliance with the Fourth and Eighth  
6 Amendments and Defendants' own policies prior to issuance of the injunction and Defendants'  
7 intransigence in demonstrating compliance with the preliminary injunction over the past five  
8 months support additional monitoring to protect Plaintiffs from irreparable harm;

9 iii. To require Defendants to produce periodic reports under oath regarding  
10 Defendants' compliance with the Court's preliminary injunction at all dispatch, enforcement,  
11 displacement, property removal/destruction, or other operations involving interfacing with  
12 unhoused individuals and their property;

13 iv. To appoint a Special Master at Defendants' expense to assist with the  
14 implementation of the Court's preliminary injunction, to monitor compliance with the terms of  
15 this injunction, to review compliance reports and the underlying data and certifications, and to  
16 address ongoing compliance disputes before they are raised with this Court; and

17 v. To require the parties to submit a joint letter brief, no more than 10 pages, otherwise  
18 pursuant to the Court's standing order, within seven days, setting forth the parties' positions  
19 regarding the scope of authority for the Special Master, appropriate candidates for the position, the  
20 scope and frequency of compliance reports, and any underlying data necessary and sworn  
21 certifications to be included in those reports.

1 **I. INTRODUCTION**

2 San Francisco is not complying with this Court’s preliminary injunction. While attempting  
3 to stay and ultimately terminate the Court’s injunction, the City has persisted in routinely  
4 criminalizing homeless individuals who have no access to shelter and has indiscriminately  
5 destroyed their personal belongings. Plaintiffs have diverted their extremely limited resources to  
6 uncover and document these ongoing and numerous violations whenever possible. But the City  
7 has made it impossible for Plaintiffs or this Court to assess the extent of the City’s non-compliance  
8 by failing to provide the thousands of dispatch reports, incident reports, and other enforcement and  
9 property logs that would show how many law enforcement interactions have violated the Court’s  
10 injunction to date.

11 The preliminary injunction has been in place for almost five months. Though the City’s  
12 appeal attempts to relitigate a largely uncontested factual record of prior constitutional violations,  
13 the City is not entitled to violate this Court’s injunction pending appeal. Plaintiffs respectfully  
14 request that the Court issue an order to monitor compliance with its injunction, under the Court’s  
15 inherent authority to enforce its orders. The preliminary injunction cannot serve its purpose of  
16 protecting Plaintiffs from the City’s unconstitutional conduct while such unlawful conduct  
17 persistently evades this Court’s review.

18 Given the complexity of the thousands of enforcement, displacement, and property removal  
19 interactions the City has with unhoused individuals every month—all occurring without  
20 meaningful oversight—Plaintiffs request that the City be required to issue detailed reports under  
21 oath addressing compliance with the Court’s preliminary injunction, and that a Special Master with  
22 limited powers of inquiry be appointed to appropriately assess how the City is complying with the  
23 Court’s injunction during the pendency of this action. These necessary prophylactic steps to  
24 enforce the Court’s injunction reflect a measured solution to monitor and safeguard compliance  
25 with the Court’s order without the need to initiate contempt proceedings.

26 **II. PROCEDURAL HISTORY**

27 **A. Issuance of the Court’s Preliminary Injunction**

28 On December 23, 2022, the Court granted Plaintiffs’ motion for preliminary injunction.

1 The injunction only prevents the City “from enforcing or threatening to enforce” enumerated “laws  
2 and ordinances to prohibit involuntarily homeless individuals from sitting, lying, or sleeping on  
3 public property.” Dkt. No. 65 at 50. The Court’s preliminary injunction order was replete with  
4 factual findings that establish that unsheltered San Franciscans have had no practically available  
5 access to appropriate shelter in the City—both at hundreds of SFPD enforcement operations and  
6 even at formal HSOC resolutions where shelter is purportedly supposed to be made available. Dkt.  
7 No. 65 at 41-42. As such, the Court found that unsheltered residents are involuntarily homeless  
8 consistent with the Ninth Circuit’s holding in *Martin*. See *Martin v. City of Boise*, 920 F.3d 584,  
9 618 (9th Cir. 2019) (enforcement is impermissible whenever shelter is not “practically available”).  
10 The Court specifically found that the City fails to make shelter available to unhoused residents  
11 prior to criminal enforcement for sleeping or lodging in public. Dkt. No. 65 at 38-39. Its injunction  
12 prohibits these enforcement interactions. *Id.* at 50.

13 The Court also enjoined the City from violating its Bag and Tag policy, which requires the  
14 City to store personal property collected from the street that has not been abandoned and that does  
15 not represent an immediate health or safety risk. Dkt. No. 62-1 at 1-3. That policy also requires  
16 the City to provide advance notice prior to pre-planned encampment resolutions. Dkt. No. 62-1 at  
17 2. The Court’s injunction relied on years of aggregate data and individual accounts showing that  
18 the City has engaged in widespread destruction of property. Dkt. No. 65 at 28-29; 37; 44-45.  
19 Those property destruction practices are prohibited under the preliminary injunction. *Id.* at 50.

20 **B. The City Attempts to Evade the Court’s Injunction.**

21 Immediately after this Court issued its injunction, the City sought to be excused from its  
22 compliance obligations. On January 3, 2023, Defendants filed an administrative motion asking  
23 the Court to “clarify” its order to authorize ongoing HSOC encampment resolutions, despite the  
24 Court’s unambiguous findings that the City’s conduct at those operations violated the Eighth  
25 Amendment by threatening, citing, and arresting unhoused individuals without a concrete shelter  
26 offer. Dkt. No. 70. On January 12, 2023, the Court rejected this motion as procedurally improper,  
27 and invited the City to file an appropriate motion for reconsideration. Dkt. No. 91 at 24:20-23.

28 Instead, the City appealed the Court’s order to the Ninth Circuit and moved to “stay the

1 portion of the injunction regarding enforcement of sit/lie/sleep laws”—purporting that the terms  
 2 of the injunction are somehow unclear. Dkt. No. 97 at 2. This Court denied Defendants’ motion  
 3 to stay. Dkt. No. 119 at 6. The Court reasoned that Defendants’ appellate arguments were never  
 4 properly raised before the Court, and that those arguments are undermined by the Court’s factual  
 5 findings made in granting the preliminary injunction. *Id.* The City then renewed its stay motion  
 6 before the Ninth Circuit—continuing to purport not to understand the scope and meaning of the  
 7 Court’s preliminary injunction. *See* Appellate Case No. 23-15087, Dkt. No. 51. Pending  
 8 resolution of these motions, Plaintiffs have spent months seeking the necessary documents in  
 9 discovery to at least estimate the extent of the City’s non-compliance with the Court’s injunction  
 10 to date—to no avail. Shroff Decl. ¶¶ 3-10.

11 **C. The Court Immediately Identifies Concerns with the City’s Compliance.**

12 On January 12, 2023—just weeks after the Court’s injunction came into effect—this Court  
 13 noted a series of “questions and concerns” regarding Defendants’ compliance with the Court’s  
 14 order. Dkt. No. 91 at 25:21-25. The Court also inquired whether Defendants were appropriately  
 15 training or instructing staff that threatening displacement of unhoused individuals at encampment  
 16 resolutions violates the Court’s preliminary injunction. *Id.* at 29:22-25 (“[T]here is really  
 17 questions in my mind about . . . what the training or instruction is versus what actually is  
 18 happening”); *id.* at 30:1-8 (“There is some unrebutted evidence that the same notice that’s being  
 19 used now as was used before the preliminary injunction order . . . . That’s completely contrary to  
 20 the order.”); *id.* at 30:15-17; 31:14-15 (“My other big concern has to do with the police presence.  
 21 So, do individuals understand that moving is voluntary[?] . . . Your declarations raised some  
 22 concerns that there is a real miscommunication, a real gap, in understanding especially with the  
 23 police presence that was described in those declarations”). The Court specifically noted that  
 24 “nobody, not a single declarant for the City, talked about . . . what was actually communicated to  
 25 the affected individuals.” *Id.* at 29. The Court expressed further concern at unchallenged instances  
 26 of attempted property destruction. *Id.* at 30-32 (“on the bag and tag issue, we have no rebuttal by  
 27 the City declarants”).

28 In light of these concerns, the Court instructed the parties to meet and confer regarding

1 sufficient disclosures and information Plaintiffs needed to verify compliance with the Court's  
 2 Order. *Id.* at 35:24-36:21. Now five months later, Plaintiffs have received none of these  
 3 documents. Shroff Decl. ¶¶ 3-10. As such, the extent of the City's non-compliance with the  
 4 Court's injunction at thousands of interactions with unhoused individuals has largely been hidden.  
 5 Meanwhile, Plaintiffs have used their extremely limited resources to uncover serious instances of  
 6 non-compliance across the City whenever possible. Coalition on Homelessness Decl. ¶¶ 3-17.

### 7 **III. STATEMENT OF FACTS**

8 Despite Defendants' efforts to circumvent the plain terms of the injunction and to avoid  
 9 monitoring of their conduct, Plaintiffs have still observed and documented numerous, clear  
 10 violations of the preliminary injunction. This is likely only a small fraction of the City's non-  
 11 compliance at thousands of enforcement and displacement interactions each month—and for  
 12 which Plaintiffs have virtually no insight. Shroff Decl. ¶¶ 7-9; 14-16. Publicly available data also  
 13 demonstrates that the City's police enforcement against unhoused individuals merely for existing  
 14 in public without shelter is on the rise despite the Court's injunction.

15 Plaintiffs submit additional declarations from 26 percipient witnesses regarding dozens of  
 16 separate enforcement actions in violation of the Court's preliminary injunction. These witnesses  
 17 include an ACLU investigator who has regularly observed weekly HSOC operations for months,  
 18 Coalition on Homelessness staff and volunteers who also directly observed the City's interactions  
 19 with unhoused individuals at formal sweep operations, a San Francisco public defender who  
 20 happened on an unlawful enforcement interaction on his way to work, and documented accounts  
 21 from more than 22 impacted unhoused individuals identifying recent criminalization and property  
 22 destruction in violation of the Court's preliminary injunction.

#### 23 **A. Displacement of Unhoused Individuals Under Threat of Enforcement Despite** 24 **No Shelter.**

25 The City has continued to forcibly displace unhoused individuals at encampment  
 26 resolutions by the police or with police support, ordering that people move away without any  
 27 statement that those requests are voluntary or temporary. Verner-Crist Supp. Decl. ¶ 8-9  
 28 (describing general observations of the City's practices); ¶ 20 (describing sweep at 7:00 AM on

1 January 27, 2023 at Leavenworth & Ellis Streets); ¶ 38-47 (describing sweep at 7:00 AM on  
 2 February 9, 2023 at Leavenworth Street between Eddy Street and O’Farrell Street); ¶ 73  
 3 (describing sweep at 9:00 AM on March 1, 2023 of O’Farrell Street between Jones Street and  
 4 Taylor Street); ¶ 101 (describing sweep at 1:00 PM on March 23, 2023 on Geary Street between  
 5 Masonic Avenue and Presidio Avenue); Dkt. No. 76, Friedenbach 2nd Supp. Decl., ¶ 5 (describing  
 6 sweep at 7:00 AM on December 27, 2022 at 17<sup>th</sup> Street); Dkt. No. 77, James 2nd Supp. Decl., ¶ 5  
 7 (describing sweep at 1:00 PM on December 27, 2022 at Taylor and Eddy Streets); Dkt. No. 78,  
 8 Evans 2nd Supp. Decl., ¶ 5 (describing January 3, 2023 sweep at the Embarcadero); Dkt. No. 79,  
 9 Orona Supp. Decl., ¶ 5 (describing January 4, 2023 sweep at Erie Street); Murdock Supp. Decl. ¶  
 10 4 (describing January 17, 2023 sweep at Mission Street); Adams Decl. ¶ 4, 7 (describing January  
 11 23, 2023 and January 27, 2023 sweeps at Leavenworth Street); Harding Decl. ¶ 3, 4-5, 7 (same);  
 12 Melendez Decl. ¶ 5-7 (describing January 27, 2023 sweep at Leavenworth Street); Donohoe Supp.  
 13 Decl. ¶ 5-6 (describing January 31, 2023 sweep at Willow Street); Berger Decl. ¶ 6-8 (describing  
 14 January 27, 2023 and February 9, 2023 sweeps at Leavenworth Street); Bagley-Adams Decl. ¶ 4  
 15 (describing February 9, 2023 sweep at Leavenworth Street); Hoffman Decl. ¶ 7 (same); Harding  
 16 Supp. Decl. ¶ 3 (same); Jones Decl. ¶ 3, 9 (describing February 6, 2023 and February 14, 2023  
 17 sweeps at Sherman Street); Donohoe 2d Supp. Decl. ¶ 4 (describing March 1, 2023 sweep at  
 18 O’Farrell Street); Barkley Decl. ¶¶ 8, 10 (describing February 2023 and March 23, 2023 sweep);  
 19 Draper Decl. ¶¶ 3, 7 (describing March 30, 2023 sweep); Hawthorne Decl. ¶¶ 8-9 (describing April  
 20 6, 2023 sweep); Erickson Decl. ¶ 4 (describing a sweep that occurred after the new year); van  
 21 Harin Decl. ¶ 3 (describing February 2023 sweep); Garcia Decl. ¶¶ 3-6 (describing sweeps,  
 22 including one in February 2023); Myers Decl. ¶¶ 4, 6-7 (describing no change in sweep practices  
 23 in 2023); Wise Decl. ¶¶ 2, 5 (describing two sweeps in February 2023); Myers Decl. ¶ 4; Calloway  
 24 Decl. ¶ 3 (describing April 21, 2023 move-along).

25 At least three declarants attest to being forced by the City to move on multiple occasions  
 26 since the injunction was issued, ranging from at least six to twenty times. Martin Decl. ¶ 6 (“Since  
 27 January 2023 I have been swept at least 20 times.”); Myers Decl. ¶ 6 (“I have been swept at least  
 28 10 times since the beginning of the year.”); Barkley Decl. ¶ 4 (“I have been swept approximately

1 six times since December 24, 2022.”). All of the declarations describe various interactions with  
 2 the City, ranging from formal HSOC resolutions to informal and ad-hoc police or single-  
 3 department sweeps. *E.g.*, Murdock Supp. Decl. ¶ 4; van Harin Decl. ¶ 5.

4 Even at formal HSOC resolutions—the only operations it has been possible for Plaintiffs  
 5 to monitor—Defendants still order unhoused people to move. SFPD arrives at encampment  
 6 clearances along with other City agencies, including SFFD, HOT, SFMTA, DEM, and DPW.  
 7 Verner-Crist Supp. Decl. ¶¶ 23; 30; 36; 54; 63; 71; 79; 95; 120; 127; Dkt. No. 76, Friedenbach 2nd  
 8 Supp. Decl., ¶ 7; Dkt. No. 78, Evans 2nd Supp. Decl., ¶ 6; Dkt. No. 77, James 2nd Supp. Decl., ¶

 13 Defendants immediately instruct unhoused individuals to pack up their belongings and leave.

 20 ¶ 9.

21 The City continues to threaten unhoused individuals—both explicitly and implicitly—to  
 22 force them to move. While notice is routinely not given, posted signage remains that threatens  
 23 ongoing enforcement. Waltier Decl. ¶ 8, Ex. A (“no lodging” sign, citing enjoined ordinance);  
 24 Verner-Crist Supp. Decl. ¶ 128, Ex. M (same); *see also* Bagley-Adams Decl. ¶ 4, Ex. A (“Notice  
 25 stating SFPD ‘may enforce San Francisco and California laws as needed; and a desire to ensure  
 26 streets are “free of tents, structures, and belongings.”). If individuals refuse to comply with these  
 27 unlawful orders to move, the City threatens them with arrest, warrant checks, jailing, and the  
 28 destruction of their property. *See, e.g.* Verner-Crist Supp. Decl. ¶ 42 (SFPD incident commander

1 telling individuals to move “or we’re going to start throwing [belongings] into that machine,” and  
2 to move “now” or the police will come over). On multiple instances, the City has even told  
3 individuals that if they do not comply and vacate encampments, they will be arrested or jailed.  
4 Adams Decl. ¶ 9; Myers Decl. ¶ 8; Martin Decl. ¶ 8; Donohoe Supp. Decl. ¶ 6. In one instance,  
5 an SFPD officer ordered unhoused individuals to move along, explicitly citing sit/lie laws.  
6 Calloway Decl. ¶¶ 5-7. In another episode, video evidence shows an officer stomp on the ground  
7 by an individual’s head to wake him up as three others assist in forcibly removing the unhoused  
8 person from the area. Shroff Decl. ¶ 26. As an intimidation tactic, the City has also threatened  
9 unhoused individuals with warrant checks unless they depart the area, despite having no particular  
10 suspicion of genuine criminal activity. Dkt. No. 79, Orona Supp. Decl., ¶ 9; Myers Decl. ¶ 8. City  
11 employees also threaten individuals with seizure and destruction of their belongings if they do not  
12 move. Verner-Crist Supp. Decl. ¶¶ 41-49; Berger Decl. ¶ 6, Jones Decl. ¶ 3; Bagley-Adams Decl.  
13 ¶ 7; Hoffman Decl. ¶ 7; Myers Decl. ¶ 7; Adams Decl. ¶ 9.

14 Unhoused individuals report unheeded attempts at self-advocacy. For instance, when  
15 unhoused individuals assert the protection of the Court’s order, City employees have responded  
16 that “they did not care about the court order.” Jones Decl. ¶ 4. City employees have stated that  
17 the Court order and monitoring do not matter. Verner-Crist Decl. ¶¶ 47-48. Even when City  
18 employees were told that they cannot displace people for being unhoused, Defendants simply  
19 “shrugged” and reasserted their demand that the individuals move. Bagley-Adams Decl. ¶ 5. One  
20 person was even wrongly informed that the Court’s injunction “order was gone” after being  
21 ordered to leave. Melendez Decl. ¶ 6.

22 The City has previously contended that any orders to move given by City staff are merely  
23 voluntary or temporary requests. Dkt. No 82 at 3; Dkt. No. 80-1 at 4; Dkt. No. 80-2 at 2. But, as  
24 the Court recognized, this is not communicated to the individuals subjected to displacement. *See*  
25 Dkt. No. 91 at 29. City employees tell unhoused individuals they have to move without explaining  
26 what will happen if they do not comply. Verner-Crist Supp. Decl. ¶¶ 56, 97, 111; Myers Decl. ¶  
27 15; Draper Decl. ¶ 6; Harding Supp. Decl. ¶ 3; Donohoe 2d Supp. Decl. ¶ 5; Berger Decl. ¶ 8;  
28 Jones Decl. ¶ 9. Defendants show no indication that their requests to move are temporary or

1 voluntary. Dkt. No. 76, Friedenbach 2nd Supp. Decl., ¶¶ 8-9; Dkt. No. 77, James 2nd Supp. Decl.,  
 2 ¶¶ 7-8; Dkt. No. 78, Evans 2nd Supp. Decl., ¶¶ 8-9; Dkt. No. 79, Orona Supp. Decl., ¶¶ 7-9;  
 3 Murdock Supp. Decl. ¶ 6. Nor do City employees explain to individuals that they are not obligated  
 4 to move. Donohoe 2nd Supp. Decl. ¶ 8. Individuals are simply told they cannot stay. Hoffman  
 5 Decl. ¶ 9. In some cases, SFPD officers make vague threats to move or “suffer the consequences.”  
 6 Verner-Crist Supp. Decl. ¶ 38; Myers Decl. ¶ 7. Even when SFPD does not make the initial request  
 7 for an individual to move, the police become involved to support requests to move from other City  
 8 officials. Verner-Crist Supp. Decl. ¶ 42; Harding Decl. ¶¶ 4-5. As a result, individuals come to  
 9 understand that they are not supposed to return to the area after being asked to move. Donohoe  
 10 Supp. Decl. ¶ 6.

11 The City’s orders to move continue to occur prior to genuine shelter offers because the  
 12 shelter system still remains full and closed and shelter continues to be offered only rarely and  
 13 insufficiently during enforcement operations. Dkt. No. 78, Evans 2nd Supp. Decl., ¶ 8; Dkt. No.  
 14 77, James 2nd Supp. Decl., ¶¶ 7, 9; Dkt. No. 76, Friedenbach 2nd Supp. Decl., ¶¶ 4, 8-10. For  
 15 instance, one sweep resulted in the removal of 30-40 unhoused individuals even though only two  
 16 people received transport to shelter. Donohoe Supp. Decl. ¶ 9.

17 Even when the HOT team is present, they do not know whether they have available shelter  
 18 to offer. Verner-Crist Supp. Decl. ¶ 22; Berger Decl. ¶ 9; Hoffman Decl. ¶ 8. At times, City  
 19 workers will vaguely ask whether unhoused individuals would like to “go inside,” without clearly  
 20 providing a firm offer of shelter. Verner-Crist Supp. Decl. ¶ 8; Barkley Decl. ¶ 12. On other  
 21 occasions, HOT team workers approach unhoused individuals as they are being moved, but do not  
 22 offer shelter or services. Myers Decl. ¶ 16; Draper Decl. ¶ 7. They simply inform people present  
 23 at the site that the City *might* have shelter without any further detail while they are being asked to  
 24 move as City workers clear the area. Melendez Decl. ¶ 4. While the unhoused are engaged in  
 25 these discussions about uncertain promises of shelter, they are simultaneously instructed to move  
 26 while the area is being cleaned and cleared. Myers Decl. ¶ 4. In the rare instances where shelter  
 27 is offered, it does not materialize and the City makes no accommodation for disabilities or to allow  
 28 families to stay together. *See, e.g.*, Barkley Decl. ¶¶ 6, 8, 10, 15; Adams Decl. ¶¶ 4, 7; Hawthorne

1 Decl. ¶¶ 8-9; Murdock Supp. Decl. ¶ 4.

2         Additionally, sweeps where individuals are told to move often occur without the presence  
3 of the HOT team to offer shelter. Myers Decl. ¶ 10; Martin Decl. ¶ 7, 8; Barkley Decl. ¶ 8; van  
4 Harin Decl. ¶ 5; Calloway Decl. ¶¶ 5-7; *see also* Myers Decl. ¶¶ 7-10 (describing a sweep where  
5 SFPD told the declarant to move under threat of property destruction and warrant checks, when  
6 the HOT team was not present to offer shelter); Hawthorne Decl. ¶ 7 (describing SFPD telling the  
7 declarant he would have to move “nearly every morning at 6:30 AM,” without HOT’s presence);  
8 Barkley Decl. ¶ 8 (describing an SFPD and DPW joint operation where HOT was not present).

9         At sweep operations, Defendants have mocked unhoused people and treated them as  
10 disposable trash, leaving them traumatized and dehumanized. *See, e.g.*, Adams Decl. ¶ 15;  
11 Harding Decl. ¶ 5; Harding Supp. Decl. ¶ 4; Garrett Decl. ¶ 10; Verner-Crist Supp. Decl. ¶ 67;  
12 Hoffman Decl. ¶ 11; Jones Decl. ¶¶ 8, 11; Murdock Supp. Decl. ¶¶ 7, 11; Myers Decl. ¶ 19; Wise  
13 ¶ 6.

14                 **B. Ongoing and Indiscriminate Property Destruction.**

15         While removing individuals from encampments, the City has also continued to  
16 indiscriminately destroy their personal property, violating the express, central terms of their bag  
17 and tag policy, which the Court’s injunction incorporates by reference. Verner-Crist Supp. Decl.  
18 ¶ 12; Adams Decl. ¶ 4; Murdock Supp. Decl. ¶ 8; Jones Decl. ¶ 5; Harding Supp. Decl. ¶ 4; Garrett  
19 Decl. ¶¶ 4-10; Garcia Decl. ¶¶ 3-6; Cannon Decl. ¶¶ 3-4; Wise Decl. ¶¶ 2-5. Personal items that  
20 are not trash or hazardous materials are routinely destroyed during sweeps. Murdock Supp. Decl.  
21 ¶ 9 (listing loss of catering equipment, electric bike, batteries, solar panels, ring, and earrings);  
22 Erickson Decl. ¶ 7 (listing loss of cooking equipment, dishes, camping gear, and a suitcase full of  
23 clothes); Moran Decl. ¶ 4 (describing loss of SSI card, ID, and other personal property in a  
24 backpack); Garrett Decl. ¶¶ 4-10 (describing loss of work tools, phone charger, a cooler for food,  
25 inflatable sleeping pad, bedding, and clothes); Garcia Decl. ¶¶ 4-10 (describing loss of tents,  
26 hygiene products, cell phones); Cannon Decl. ¶¶ 3-4 (describing loss of work necessities and  
27 electronics like phone, tablet, and laptop); Wise Decl. ¶¶ 2-5 (describing loss of gift cards, guitar,  
28 tent, sentimental jewelry, a guitar, and phone); Verner-Crist Supp. Decl. ¶ 50 (describing neatly

1 packed blanket and suitcases thrown into dump truck); Dkt. No. 78, Evans 2nd Supp. Decl. ¶¶ 10-  
 2 11 (describing that Defendants wrongly declared a usable tent abandoned and only intervention by  
 3 declarant prevented its destruction). In fact, Defendants regularly discard or declare momentarily  
 4 unattended tents (and their content) abandoned, even when clearly not the case. Erickson Decl. ¶¶  
 5 8-9 (describing the City taking down four tents or tarps, even though the campsites were neatly  
 6 arranged and clearly not abandoned, and even though individuals at the site shouted that the tents  
 7 were not abandoned or trash); Verner-Crist Supp. Decl. ¶ 49 (describing the City destroying an  
 8 intact tent); Ex. D; Waltier Decl. ¶ 9 (describing tent confiscation). Defendants likewise destroy  
 9 bedding and survival gear, often simply to force unhoused individuals to move along. Verner-  
 10 Crist Supp. Decl. ¶¶ 46, 105, 115; Exs. C, L. These belongings facilitated work, helped maintain  
 11 communication with loved ones, were necessary survival gear, or possessed deep sentimental  
 12 value.

13 Defendants need not violate their own policies and the injunction to ensure clean streets,  
 14 which unhoused people also want. Erickson Decl. ¶ 8; Garcia Decl. ¶ 3; Hoffman Decl. ¶ 11.  
 15 DPW workers destroy whatever items unhoused individuals are unable to immediately take with  
 16 them while being asked to move. Berger Decl. ¶ 10; van Harin Decl. ¶ 6; Garrett Decl. ¶¶ 6-10;  
 17 Garcia Decl. ¶¶ 3-4. While being forced to move, unhoused individuals are not permitted to collect  
 18 all their belongings or are not given enough time to collect their property before it is destroyed.  
 19 Verner-Crist Supp. Decl. ¶¶ 42-46 (SFFD Incident Commander told one individual to move  
 20 immediately and then destroyed his property shortly thereafter); Jones Decl. ¶ 5 (DPW began  
 21 throwing away the declarant's belongings after only 5-10 minutes); *see also* Myers Decl. ¶¶ 9, 17;  
 22 Garrett Decl. ¶¶ 6-10; Garcia Decl. ¶ 3. The City makes no accommodation for individuals with  
 23 disabilities during these sweeps. Verner-Crist Supp. Decl. ¶ 123; Martin Decl. ¶¶ 3, 9; Hawthorne  
 24 Decl. ¶ 9. Defendants discard people's property in dump trucks without asking whether any items  
 25 are personal belongings that individuals would like to keep. Donohoe Supp. Decl. ¶¶ 7-8; Harding  
 26 Decl. ¶ 3; Moran Decl. ¶ 4. Once items are discarded into trucks, City workers refuse to return  
 27 any of those items despite pleas. Jones Decl. ¶ 5 ("Once it's on the truck, it's on the truck."); van  
 28 Harin Decl. ¶ 7 (DPW worker refusing to allow declarant to retrieve his guitar case out of the DPW

1 truck); Barkley Decl. ¶ 18 (SFPD officer preventing declarant from retrieving his property from a  
 2 truck); Garrett Decl. ¶ 7 (request denied); Wise Decl. ¶ 4 (“They belong to the City now”). Nor  
 3 do they offer to store any of this property for later retrieval, as legally required, even when  
 4 explicitly asked to do so. Barkley Decl. ¶¶ 9, 17; Martin Decl. ¶ 9; Erickson Decl. ¶ 8; van Harin  
 5 Decl. ¶ 8; Garrett Decl. ¶ 7.

6 **C. Public Data Shows That Enforcement is on the Rise Despite the Injunction.**

7 The City’s own public dispatch data shows that it is still sending police—instead of  
 8 outreach workers who can offer services—to respond to complaints about homelessness about 600  
 9 times per month. Shroff Decl. ¶¶ 14-16. The City also reports dispatching police *specifically* for  
 10 “919 Sit/Lie Enforcement” hundreds of times each month—with more than 1,000 police dispatches  
 11 to enforce sit/lie prohibitions since this Court’s injunction was issued. Shroff Decl. ¶¶ 14-15.  
 12 Despite a modest decline immediately after the injunction was issued, police dispatches for sit/lie  
 13 enforcement are on the rise again over the last several months. Shroff Decl. ¶ 19.

21 Meanwhile, the City has still not re-opened its shelter system for self-referral and voluntary  
 22 access through 311. Shroff Decl. ¶¶ 28-29.

23 **D. Pretextual Enforcement Pursuant to Non-Existent “Accessibility” Laws.**

24 The City’s scorn for the preliminary injunction is apparent in regular discussions between  
 25 SFPD officers strategizing on how to remove homeless individuals from public space  
 26 notwithstanding that unhoused individuals have no meaningful access to shelter. Shroff Decl. ¶  
 27 27; Ex. D (“The homeless community has been made aware of this injunction and know all our  
 28 limitations and are taking advantage of it”). To circumvent the injunction, SFPD determined to

1 ramp up purported “accessibility” enforcement—stating as a matter of policy that unhoused people  
 2 will be forcibly displaced, cited, or even arrested whenever they violate a 4-foot clearance rule on  
 3 public sidewalks. Shroff Decl. ¶ 27; Ex. D; Dkt. No. 97-2 at 2. Unhoused individuals can  
 4 effectively be forced off of any sidewalk in San Francisco under this pretext.

5 California law and the San Francisco charter include important accessibility laws that  
 6 criminalize the willful, malicious, intentional, and substantial obstruction of pedestrian and  
 7 wheelchair access on a public right of way. *See, e.g.*, Cal. Penal Code § 647c; S.F. Police Code  
 8 §§ 22-24 (prohibiting “willfully and substantially obstructing the free passage of any person or  
 9 persons”). But the mere existence of an unhoused person on a sidewalk is not a valid basis for  
 10 criminal enforcement—nor do any of these laws impose a bright line 4-foot clearance rule. *See*  
 11 *Burdett v. Reynoso*, No. 06-cv-00720, 2007 WL 2429426, at \*9 (N.D. Cal. Aug. 23, 2007)  
 12 (“[c]ausing a slight deviation in a pedestrian’s path does not necessarily constitute an illegal  
 13 obstruction, nor does the mere presence of a person on a sidewalk. A street or sidewalk cannot be  
 14 obstructed, only a person”). Contractors building a sidewalk in San Francisco must make sure that  
 15 the sidewalk has 4 feet of usable space. S.F. Public Works Code § 810B. Accessibility is vital,  
 16 particularly for individuals with disabilities, and the unhoused population is comprised of a  
 17 disproportionate number of individuals with disabilities who the City fails to serve. But that does  
 18 not make it a crime for the public to make use of the sidewalk. It is unclear how many SFPD  
 19 enforcement operations have proceeded to displace unhoused individuals in violation of the  
 20 Court’s order under the pretense of enforcing this non-existent rule.<sup>1</sup>

21 **E. The City Has Withheld Essentially All Disclosures Necessary for Monitoring.**

22 Plaintiffs still have virtually no insight into the thousands of law enforcement interactions  
 23 that the City has conducted against unhoused individuals. Shroff Decl. ¶¶ 5-9. The City has failed

24 \_\_\_\_\_  
 25 <sup>1</sup> There is further evidence to suggest that sit/lie enforcement will again become institutional  
 26 policy, even though enforcing sit/lie laws against unhoused individuals would obviously violate  
 27 the injunction. Mayor Breed’s administration has informed Supervisor Dean Preston that it will  
 28 enforce “illegal squatting” laws—purportedly as a way to prohibit public intoxication. *See* Shroff  
 Decl. ¶ 30; Ex. F. The City can enforce its public intoxication laws, but it cannot arrest people  
 purely because they have no choice but to sleep outside, pretending to carry out drug enforcement.  
 The development of this new “tough on crime” program warrants close attention from this Court.

1 to share what specific instructions, training, or other guidance have been given to staff regarding  
2 the Court’s injunction. Shroff Decl. ¶ 10; *see also* Dkt No. 80-1 at 3-4; Dkt. No. 80-3 at 4-5. Nor  
3 has the City provided any advance notice of displacement operations other than formal HSOC  
4 operations that only constitute a small fraction of the City’s enforcement interactions with  
5 unhoused individuals. Shroff Decl. ¶ 4. As such, it has been impossible to effectively monitor the  
6 City’s compliance with the injunction over the past five months. Plaintiffs sought expedited  
7 discovery and recurring document disclosures in an attempt to identify the extent of the City’s  
8 non-compliance with the Court’s injunction as soon as December 29, 2022. Shroff Decl. ¶ 3. But  
9 the City initially refused to provide the requested disclosures, stalled the meet-and-confer process  
10 for months despite dozens of emails and conversations, and declined to engage in a joint discovery  
11 dispute letter process to allow Plaintiffs to seek resolution from the Court. Dkt. Nos. 117, 118,  
12 121, 123.

13 To date, Plaintiffs have received effectively no information—not even a representative  
14 sample—that would provide insight into whether the City has taken any meaningful steps to  
15 comply with the Court’s injunction. Shroff Decl. ¶ 6-9. For example, Plaintiffs have only seen 71  
16 SFPD incident reports addressing interactions with unhoused individuals at homeless  
17 encampments despite thousands of reported law enforcement interactions, have seen no citation  
18 and arrest data for Cal. Penal Code 148(a) (failure to move along), and have seen only 53 CAD  
19 detailed dispatch reports where law enforcement responded to a homelessness complaint—  
20 comprising less than 3% of the relevant police dispatches since the injunction took effect. Shroff  
21 Decl. ¶¶ 7-9.

#### 22 **IV. LEGAL STANDARD**

23 Courts have inherent authority to monitor and enforce their prior orders. *Shillitani v.*  
24 *United States*, 384 U.S. 364, 370 (1966); 28 U.S.C. § 1651(a); *see also United States v. New York*  
25 *Tel. Co.*, 434 U.S. 159, 172 (1977) (federal courts can issue all orders that “may be necessary or  
26 appropriate to effectuate and prevent the frustration of orders”). These inherent powers include  
27 the ability to issue enforcement orders that impose additional monitoring and reporting  
28 requirements—including compliance reports and the appointment of a special master. *See, e.g.*,

1 *United States v. Suquamish Indian Tribe*, 901 F.2d 772, 775 (9th Cir. 1990). These inherent  
2 powers can be exercised even without a finding of intentional non-compliance with a court’s prior  
3 orders. *Nat’l Org. For the Reform of Marijuana Laws v. Mullen*, 828 F.2d 536, 543 (9th Cir. 1987)  
4 (“no circuit authority that requires a determination of intentional disregard of court orders before  
5 a special master may be appointed”).

6 This Court also retains jurisdiction to enforce its preliminary injunction even during the  
7 pendency of any interlocutory appeal. Fed. R. Civ. P. 62(c); *A&M Records Inc. v. Napster, Inc.*,  
8 284 F.3d 1091, 1099 (9th Cir. 2002); *GTE Sylvania v. Consumers Union of United States*, 445  
9 U.S. 375, 386 (1980) (“persons subject to an injunctive order issued by a court with jurisdiction  
10 are expected to obey that decree until it is modified or reversed, even if they have proper grounds  
11 to object to the order.”)

## 12 **V. ARGUMENT**

### 13 **A. The City Repeatedly Violated the Injunction, Warranting a Compliance** 14 **Order.**

15 Defendants’ years-long history of non-compliance with the Constitution and their own  
16 policies formed the basis of this Court’s preliminary injunction and Plaintiffs’ initial request for a  
17 special master to be appointed. Dkt. No. 65 at 37-40; 42-45; Dkt. No. 75 at 1-3; 5. Now, the City  
18 has displayed the same intransigence in failing to comply with this Court’s preliminary injunction.  
19 *See supra* Section III. The City cannot be “enforcing or threatening to enforce, or using California  
20 Penal Code section 148(a) to enforce or threaten to enforce,” laws that criminalize the status of  
21 being homeless against involuntarily unhoused individuals. Dkt. No. 65 at 50. SFPD’s new  
22 enforcement bulletin confirms the City’s understanding of the injunction’s requirements. *See* Dkt.  
23 No. 97-2. But Plaintiffs have now identified numerous instances of non-compliance with the  
24 Court’s preliminary injunction prohibiting criminalization of involuntary homelessness and the  
25 summary destruction of property. *See supra* Section III. And those instances of noncompliance  
26 occur when the City is being monitored, presumably while on its best behavior. The City’s refusal  
27 to properly provide the information necessary to ascertain its compliance with the injunction at  
28 thousands of unmonitored enforcement operations since the injunction was issued suggests that

1 there are likely countless other ongoing violations of the injunction that have been impossible for  
 2 Plaintiffs to uncover. *See supra* Section III.E.

3 Although past failure to adhere to a court order is unnecessary for the Court to exercise its  
 4 inherent authority, *see Mullen*, 828 F.2d at 543, the City’s consistent non-compliance—before and  
 5 after the injunction was issued—warrants application of the Court’s power to monitor and enforce  
 6 its preliminary injunction order.<sup>2</sup> *See, e.g., Armstrong v. Brown*, 857 F. Supp. 2d 919, 951 (N.D.  
 7 Cal. 2012) (in light of demonstrated non-compliance, “the Court concludes that a further  
 8 enforcement order is necessary to ensure compliance with the terms of the Amended Order and  
 9 GRANTS Plaintiffs’ motion to enforce it”); *N.A. of Radiation Survivors v. Turnage*, 115 F.R.D.  
 10 543, 560 (N.D. Cal. 1987) (courts have approved the appointment of special masters where parties  
 11 have “failed to comply with court orders, displayed intransigence in the litigation, or required close  
 12 supervision”); *see also Local 28 of Sheet Metal Workers’ Int’l Ass’n v. E.E.O.C.*, 478 U.S. 421,  
 13 482 (1986) (noting “the difficulties inherent in monitoring compliance with the court’s orders” and  
 14 the parties’ “established record of resistance to prior state and federal court orders”). The Court is  
 15 empowered to fashion the terms of any enforcement order in its broad discretion so long as it  
 16 “effectuate[s] and prevent[s] the frustration of [its] orders[.]” *New York Tel. Co.*, 434 U.S. at 172;  
 17 28 U.S.C. § 1651(a).

18 **B. Without Additional Monitoring, Violations Will Continue to Evade Review,**  
 19 **Subjecting Plaintiffs to Ongoing Irreparable Harm.**

20  
 21 <sup>2</sup> The instant motion is relatively modest given the extent of the non-compliance Plaintiffs have  
 22 documented and observed over the last several months, the tremendous resources and efforts  
 23 expended to do so, Defendants’ refusal to provide information necessary to assess their compliance  
 24 for months, and Defendants’ statements both to this Court and to the Ninth Circuit regarding its  
 25 intention to continue its unlawful practices at encampment displacement operations as it seeks to  
 26 dissolve this Court’s orders. *See supra* Sections II.B-III.E. Plaintiffs only seek relief here to assist  
 27 Defendants with satisfying their compliance obligations, even though these circumstances easily  
 28 rise to the level of civil contempt. *See, e.g., Stone v. City & Cnty. Of San Francisco*, 968 F.2d 850,  
 856 (9th Cir. 1992) (“The City argues that its good faith efforts to comply with the provisions of  
 the consent decree should excuse its noncompliance. The City, however, confuses the liability  
 standards for Eighth and Fourteenth Amendment violations with applicable standards of review  
 for contempt orders. Intent is irrelevant to a finding of civil contempt and, therefore, good faith is  
 not a defense.”)

1           1.     The City Has Stonewalled Plaintiffs on Advanced Notice and Recurring  
2                     Disclosures for Months—Exposing Plaintiffs to Irreparable Harm.

3           Plaintiffs have sought advanced notice and recurring disclosures about sweeps operations  
4 since the preliminary injunction was entered more than five months ago. *See* Dkt. Nos. 75; 121;  
5 123. While Plaintiffs negotiated in good-faith with Defendants regarding such disclosures,  
6 Defendants have consistently obstructed progress. To date, Defendants still have not even  
7 provided the narrow agreed-upon disclosures the parties have argued over for months, supposedly  
8 pending this Court’s review of an unrelated issue in the parties’ joint discovery dispute. Shroff  
9 Decl. ¶ 5.

10           These disclosure issues have been accompanied by Defendants’ refusal to provide advance  
11 notice of certain planned encampment operations *for months*. Plaintiffs requested advanced notice  
12 of all pre-planned encampment operations but Defendants refused to provide that information  
13 based on semantic quibbles regarding what constitutes a pre-planned encampment operation. *See*  
14 *e.g.* Dkt. No. 80-5 (email thread containing Defendants’ refusal to provide notice based on tortured  
15 definitions of “planned homeless encampment resolutions”). Defendants have used this dispute  
16 as an excuse to provide notice only for encampment resolution operations planned by HSOC—  
17 without providing advanced notice for *a single* planned operation originating through SFPD or  
18 DPW even though both agencies routinely target encampments and individual unhoused persons  
19 with planned operations that result in displacement and property destruction independently of  
20 coordinated HSOC resolutions. *See* Dkt. No. 123.

21           The lack of monitoring disclosures is particularly galling where SFPD has promulgated a  
22 bulletin demonstrating that Defendants perfectly understand what the injunction requires of them,  
23 despite repeatedly claiming the injunction is unclear and suggesting they cannot comply with the  
24 order in public filings. *See* Dkt. No. 97-2; Dkt. No. 104 at 3 (“Defendants . . . face the choice of  
25 either enforcing the injunction in a way that exceeds Ninth Circuit precedent or risking accusations  
26 from the Plaintiffs of contempt.”). The SFPD enforcement bulletin, which Defendants have  
27 suggested they cannot follow, is the only information Defendants have provided in response to  
28 Plaintiffs repeated requests to know what steps Defendants are taking to comply with the Court’s

1 order. Defendants have otherwise refused to disclose any information about how they are ensuring  
 2 compliance with the injunction. Shroff Decl. ¶¶ 9-10. This is particularly concerning given  
 3 Defendants’ poor track record of failing to follow even their own policies—which necessitated the  
 4 Court’s issuance of the preliminary injunction to protect Plaintiffs from further harm. Meanwhile,  
 5 the City’s personnel has been engaging in enforcement activity while purporting not to know what  
 6 the injunction requires. *See supra* Section III.A.

7           2.     The Complexity and Numerosity of the City’s Interactions with Unhoused  
 8                   Individuals Makes Monitoring Unusually Challenging.

9           Even if Plaintiffs ultimately begin receiving all the disclosures Defendants have agreed to  
 10 provide on a recurring basis—and finally get appropriate advance notice of all pre-planned  
 11 encampment operations which Defendants have failed to provide in the past (Dkt. No. 123-1), this  
 12 would provide little visibility into the City’s conduct at the huge number of ad hoc enforcement  
 13 operations the City engages in and that are on the rise. The City has engaged in approximately  
 14 200 formal HSOC sweeps since the beginning of the year. Shroff Decl. ¶ 4. On top of this already  
 15 large number, Defendants have not provided any information about the innumerable other planned  
 16 encampment operations by SFPD, DPW, and other agencies. See Dkt. No. 80-5. The City has  
 17 dispatched SFPD officers to respond to unhoused individuals at least 4,286 times since the  
 18 injunction was issued in response to 915 (Homeless Complaint) and 919 (Sit/Lie Enforcement)  
 19 calls, without providing any notice, even after the fact, to Plaintiffs to permit compliance  
 20 monitoring during these thousands of law enforcement interactions covered by the Court’s  
 21 injunction. Shroff Decl. ¶¶ 14-16. The extremely limited data sampling to which Defendants have  
 22 agreed—and still failed to provide—would scarcely permit Plaintiffs to examine the  
 23 documentation for even a tiny fraction of these thousands of enforcement interactions. See Dkt.  
 24 No. 123-1 (permitting review of only 40 SFPD incident reports for each three week period while  
 25 almost 1,000 SFPD dispatches occur during the same period); *see also* Dkt. No. 123 (agreeing to  
 26 provide only ten out of a thousand dispatch log records for each period, citing purported burden  
 27 concerns).

28           Meanwhile, the City has sought to prevent unhoused individuals from “taking advantage”

1 of the injunction by enforcing non-existent “accessibility” rules to force individuals to relocate  
 2 from sidewalks. *See supra* Section III.D; Shroff Decl. ¶ 27; Ex. D. The stipulation and proposed  
 3 order the parties negotiated around disclosures would only allow Plaintiffs to see a sample of, at  
 4 most, 3-4% of the law enforcement interactions happening across the City every month. Dkt. No.  
 5 123-1. The City has not produced even this limited information. But these disclosures the City  
 6 has agreed to provide will not meaningfully allow Plaintiffs or this Court to assess compliance  
 7 with the injunction.

8         The City has never done a full accounting of the extent of its plan for compliance with the  
 9 injunction, what protocols are in place, how staff have been trained, and whether the City is even  
 10 measuring the extent of its compliance or non-compliance with the injunction. Dkt. No. 91 at  
 11 25:21-25; 29:22-25; 30:15-17; 31:14-15. Plaintiffs never received any summary reports stating  
 12 how many SFPD dispatches have been conducted involving unhoused individuals, or how many  
 13 times DPW has interacted with unhoused individuals. Shroff Decl ¶¶ 5-9. This raises substantial  
 14 concerns that the City is engaged in rampant violations of the injunction given the numerous police  
 15 dispatches occurring every month for individuals this Court has already found do not have access  
 16 to shelter. Shroff Decl. ¶¶ 15-16. Without more detailed and regular compliance reports and close  
 17 monitoring, the City’s misconduct and non-compliance will likely continue undetected, causing  
 18 Plaintiffs to suffer ongoing harms, undermining the very purpose of the injunction.

19             3.         Plaintiffs Do Not Have the Resources to Effectively Monitor the City’s  
 20                             Ongoing Non-Compliance with the Court’s Order.

21         In the months that have passed since the Court issued its injunction, Plaintiffs have only  
 22 been able to meaningfully monitor planned HSOC operations for which they were provided  
 23 timely notice—a tiny fraction of the City’s enforcement operations involving the homeless.  
 24 Even so, Plaintiffs have exhausted their resources to monitor the City’s non-compliance with the  
 25 injunction even at these formal sweeps alone. The Coalition has used about 21 hours a week on  
 26 monitoring, devoting two organizers and about 10 volunteers to this task—diverting them from  
 27 the Coalition’s core mission to address the City’s constitutional violations. Coalition Decl. ¶¶ 6-  
 28 7. Plaintiffs have also enlisted the help of an ACLU investigator who has spent another seventy-

1 five hours conducting monitoring for this case but does not have the capacity to continue  
 2 monitoring at the level he has for the past 5 months. Shroff Decl. ¶ 11. Plaintiffs’ counsel are in  
 3 no position to hire a third-party investigator to conduct further monitoring given that they are not  
 4 charging their clients for their services and not receiving any fees for their services to defray the  
 5 costs of such monitoring. Shroff Decl. ¶ 12.

6 Without more oversight, Plaintiffs are essentially in the same position as before the  
 7 injunction was entered. Coalition Decl. ¶¶ 10-16. If Coalition volunteers are present to monitor  
 8 the City’s engagements with the unhoused, unhoused individuals are protected from only the  
 9 most blatant violations of their rights. But Plaintiffs have no assurance that individuals’ rights  
 10 are being protected in the thousands of unobserved interactions between the City and the  
 11 unhoused. Thus, at this stage, the Court’s assistance will be invaluable to ensure that the  
 12 injunction serves its purpose of protecting individuals from irreparable harm caused by violations  
 13 of their constitutional rights.

14 **C. A Special Master is Warranted by the City’s History of Malfeasance and**  
 15 **Intransigence in Litigation, and the Complexity of Monitoring Compliance.**

16 Courts have the inherent ability to appoint a monitor and the Ninth Circuit has made clear  
 17 that the “exceptional circumstances” requirement under Fed. R. Civ. Procedure Rule 53 is satisfied  
 18 where there is either a history of persistent non-compliance or where the difficulty of assessing  
 19 compliance alone is substantial enough to warrant appointment of a special master. *Suquamish*  
 20 *Indian Tribe*, 901 F.2d at 775 (“Masters may also be appointed because of the complexity of  
 21 litigation and problems associated with compliance with the district court order”); *Hook v. State*  
 22 *of Ariz.*, 120 F.3d 921, 926 (9th Cir. 1997) (appointment of special master where there was  
 23 noncompliance with consent decree and the court lacked the resources to constantly monitor  
 24 compliance); *Turnage*, 115 F.R.D. at 560 (Courts have approved the appointment of special  
 25 masters where parties have “failed to comply with court orders, displayed intransigence in the  
 26 litigation, or required close supervision.”); *see also Local 28 of Sheet Metal Workers’ Int’l Ass’n*,  
 27 478 U.S. at 482 (noting “the difficulties inherent in monitoring compliance with the court’s orders”  
 28 and the parties’ “established record of resistance to prior state and federal court orders”).

1 A history of noncompliance weighs in favor of appointing a special master, but it is not a  
2 requirement where there are complex compliance questions and significant resources are needed  
3 to verify compliance. *See Shenzhenshi Haitiecheng Science and Technology Co., LTD. v. Rearden*  
4 *LCC*, No. 15-cv-00797, 2019 WL 1560449, at \*6-7 (N.D. Cal. Apr. 10, 2019) (“[t]hough a history  
5 of noncompliance weighs in favor of reference to a special master, the Ninth Circuit has rejected  
6 a requirement that a court must find ‘intentional disregard of court orders before a special master  
7 may be appointed’”), quoting *Mullen*, 828 F.2d at 543; *Suquamish Indian Tribe*, 901 F.2d at 775;  
8 *see also Flores v. Sessions*, No. 85-cv-04544, 2018 WL 6133665, at \*2 (C.D. Cal. Nov. 11, 2018)  
9 (“Defendants entirely misapprehend the purpose of the Monitor’s appointment and the scope of  
10 the Court’s authority for doing so . . . the appointment of a special master [is]  
11 to *monitor* compliance with a court’s orders, and not to *coerce* that compliance or *punish* a  
12 defendant for non-compliance”) (emphasis in original).

13 It is also clear in the Ninth Circuit that a special master is appropriate to oversee compliance  
14 with a preliminary injunction—even when the injunction is subject to an interlocutory appeal. *See,*  
15 *e.g. Mullen*, 828 F.2d at 543 (“There are no judicial decisions requiring a final determination of  
16 constitutional violation before an “exceptional condition” justifying reference to a master can arise  
17 under Rule 53(b)"); *Roman v. Wolf*, No. 20-cv-00768, ECF No. 726 (C.D. Cal. Apr. 13, 2020)  
18 (court appointing a special master to oversee a preliminary injunction *sua sponte* given “the  
19 Government’s inability to provide the Court with timely and accurate information”); *Fed. Trade*  
20 *Comm’n v. John Beck Amazing Profits, LLC*, No. 09-cv-04719, 2009 WL 7844076, at \*16 (C.D.  
21 Cal. Nov. 17, 2009) (“the appointed monitor would be charged with . . . ensur[ing] that the  
22 corporate Defendants are complying with the preliminary injunction”); *see also A&M Records*  
23 *Inc.*, 284 F.3d at 1099 (district court permitted to “continue supervising compliance with the  
24 injunction” via an enforcement order notwithstanding a pending appeal of the original injunction),  
25 *citing* Fed. R. Civ. P. 62(c).

26 Here, both factors squarely apply in favor of a special master. First, the City has “failed to  
27 comply with court orders, displayed intransigence in the litigation, or require[s] close supervision.”  
28 *Turnage*, 115 F.R.D. at 560. In litigation, the City has repeatedly and unsuccessfully sought to be

1 excused from the terms of the injunction. *See supra* Section II.B. The “seriousness and deliberate  
2 nature” of a parties’ behavior supports a “substantial likelihood of continued unlawful practices”  
3 and need for a monitor. *Fed. Trade Comm’n v. Vemma Nutrition Co.*, No. 15-cv-01578, 2015 WL  
4 11118111, at \*8 (D. Ariz. Sept. 18, 2015); *Hook*, 120 F.3d at 926; *Local 28 of Sheet Metal*  
5 *Workers’ Int’l Ass’n*, 478 U.S. at 482. The City has been observed conducting enforcement  
6 operations that violate the constitutional rights of unhoused individuals in blatant defiance of the  
7 injunction and the City’s own policies—all while refusing to provide any disclosures or  
8 information that would allow Plaintiffs to properly assess the extent of Defendants’ non-  
9 compliance with the Court’s order. *See supra* Sections II.C; III.

10         Second, even if this Court does not find that Defendants have violated the Court’s  
11 injunction, the frequency and complexity of the City’s ongoing enforcement, displacement, and  
12 property removal interactions with hundreds of unhoused individuals every month makes it  
13 impossible for Plaintiffs to effectively monitor the City’s compliance with the preliminary  
14 injunction. *See supra* Section V.B.2. Problems with the City’s compliance and the complexity  
15 and size of the City’s enforcement operations necessitate the appointment of a special master. *See*  
16 *Hook*, 120 F.3d at 926 (holding district court did not abuse discretion in determining the need for  
17 a special master due to the complexity of the underlying litigation); *Suquamish*, 901 F.2d at 775  
18 (concluding court may appoint special master “because of the complexity of litigation and  
19 problems associated with compliance with the district court order”); *Coleman v. Wilson*, 912 F.  
20 Supp. 1282, 1324 (E.D. Cal. 1995) (assigning special master where “the constitutional violation .  
21 . . is the product of systemwide deficiencies [and] [m]onitoring compliance with the injunctive  
22 relief ordered herein will be a formidable task.”). This is particularly so when Plaintiffs do not  
23 have adequate resources to effectively monitor the City’s non-compliance with the Court’s order.  
24 *See supra* Section V.B.3; *see also* Dkt 9-3, Friedenbach Decl., ¶¶ 11-22; Coalition Decl. ¶¶ 3-9.

25         Furthermore, in light of Defendants’ historic non-compliance with even their own policies  
26 for years prior to this litigation, Defendants’ attempts to evade responsibility under the Court’s  
27 injunction to date, and Plaintiffs’ status as indigent individuals and a non-profit organization with  
28 extremely limited resources, this Court should assign all costs of the any special master to

1 Defendants. *See* Fed. R. Civ. P. 53, 2003 Advisory Committee Notes (“[a] party whose  
 2 unreasonable conduct has occasioned the need to appoint a master ... may properly be charged  
 3 with all or a major portion of the masters’ fees”); *Morgan Hill Concerned Parents Ass’n v. Cal.*  
 4 *Dep’t of Educ.*, No. 11-cv-03471, 2015 WL 10939711, at \*2 (E.D. Cal. July 2, 2015) (“the court  
 5 finds defendant should bear the responsibility for special master’s fees . . . it cannot be disputed  
 6 that plaintiffs are nonprofit associations that pursue a matter of public interest . . . Second,  
 7 plaintiffs’ counsel . . . are presently receiving no compensation for their time or reimbursement of  
 8 costs”); *see also Mullen*, 828 F.2d at 546 (upholding that the government defendants must pay all  
 9 special master fees regarding preliminary injunction compliance).

10 **D. Periodic Reports Are Customary and Necessary to Help Ensure Compliance**  
 11 **with the Court’s Preliminary Injunction.**

12 Compliance reports are also appropriate to assist the special master, Plaintiffs, and the Court  
 13 in understanding whether Defendants’ operations are consistent with the preliminary injunction.  
 14 Compliance reports under oath are regularly ordered to ensure compliance during the pendency of  
 15 a preliminary injunction. *See, e.g., Calvillo Manriquez v. Devos*, 411 F. Supp. 3d 535, 538 (N.D.  
 16 Cal. 2019) (defendants required to “file a report regarding the status of compliance with the  
 17 preliminary injunction”); *Hernandez v. Barr*, No. 16-cv-00620, 2019 WL 13019923, at \*2 (C.D.  
 18 Cal. Mar. 25, 2019) (detailing contents of compliance report); *Newmark Realty Capital, Inc. v.*  
 19 *BGC Partners, Inc.*, No. 16-cv-01702, 2018 WL 2416242, at \*17 (N.D. Cal. May 29, 2018) (in  
 20 response to noncompliance with a preliminary injunction, requiring “a compliance report . . .  
 21 within thirty (30) days”); *SunEarth, Inc. v. Sun Earth Solar Power Co.*, No. 11-cv-04991, 2012  
 22 WL 2344081, at \*8 (N.D. Cal. June 20, 2012) (requiring a “report in writing and under oath” on  
 23 compliance with preliminary injunction); *Koninklijke Philips Elecs. N.V. v. KXD Tech., Inc.*, No.  
 24 05-cv-01532, 2008 WL 2699701, at \*3 (D. Nev. July 2, 2008) (noting prior order for defendants  
 25 to “file sworn reports” “setting forth in detail the manner and form in which the compliance” with  
 26 a preliminary injunction), *aff’d*, 347 F. App’x 275 (9th Cir. 2009). Such reports are crucial in this  
 27 case given the repeated and numerous enforcement and property removal interactions Defendants  
 28 continue to initiate against hundreds of unhoused individuals every month. *See supra* Sections

1 III.A-D. The periodic disclosures Defendants have agreed to provide do not even approach a  
2 representative sampling of data regarding the City’s enforcement interactions. *See supra* Sections  
3 III.C; III.E; V.B. Mandated reporting is also necessary to force Defendants to inform Plaintiffs  
4 and the Court what steps they have taken to comply with this Court’s preliminary injunction.

5 **VI. CONCLUSION**

6 For the foregoing reasons, Plaintiffs respectfully request the Court issue an Order to  
7 enforce the preliminary injunction and ensure the City’s compliance with the preliminary  
8 injunction by appointing a special master and requiring the City to submit regular compliance  
9 reports.

**DECLARATION OF ZAL K. SHROFF**

I, Zal K. Shroff, hereby declare as follows:

1. I am a Senior Staff Attorney with the Lawyers’ Committee for Civil Rights of the San Francisco Bay Area (“LCCRSF”). I am also counsel of record for the Coalition on Homelessness (the “Coalition”), Toro Castaño, Sarah Cronk, Joshua Donohoe, Moliqie Frank, David Martinez, Teresa Sandoval, and Nathaniel Vaughn in the above-captioned action. I am admitted to practice before this Court *pro hac vice* in the above-captioned matter.

2. I submit this Declaration in support of Plaintiffs’ Motion to Enforce Preliminary Injunction (“Motion to Enforce”). I have personal knowledge of the facts set forth herein, and if called as a witness, could and would testify competently to them.

**I. For Almost Five Months, Defendants Prevented Plaintiffs From Receiving Documents Necessary To Assess Compliance With The Preliminary Injunction.**

3. On December 29, 2022, Counsel for Plaintiffs requested that Defendants provide recurring disclosures of certain categories of City records in order to assess Defendants’ compliance with the preliminary injunction. At a high level, these categories of disclosures included: (1) ongoing 72-hour notice of planned homeless encampment operations; (2) Healthy Streets Operations Center (“HSOC”) data; (3) San Francisco Police Department (“SFPD”) dispatch logs, incident reports, and bodycam footage; (4) Department of Public Works (“DPW”) incident reports or logs related to DPW cleaning or removal operations; (5) Department of Homelessness and Supportive Housing daily shelter availability disclosures, outreach, and shelter placement reports; and (6) non-privileged communications regarding preliminary injunction compliance.

4. But for nearly five months, Defendants failed to provide effectively any of these documents necessary to assess preliminary injunction compliance. Defendants have only provided 72-hour notices of formal HSOC encampment resolutions, which have still occurred twice a day, 5 times a week, since the injunction was ordered. But Plaintiffs have not received any meaningful data Plaintiffs requested to assess Defendants’ compliance with the Court’s injunction at the

1 thousands of regular law enforcement interactions that were also the subject of Plaintiffs’  
2 preliminary injunction motion.

3 5. The parties reached agreement on some limited categories of disclosures in April  
4 2023 only after the Court ordered an in-person meet and confer between the parties. But the City  
5 has stated that it will not provide the majority of these disclosures until the joint discovery dispute  
6 letter filed on April 18, 2023 (Dkt. 123) has been resolved. As such, Plaintiffs have still not  
7 received any of the limited recurring document disclosures Plaintiffs negotiated and expect to  
8 receive from Defendants regarding preliminary injunction compliance.

9 6. In addition, Defendants’ ordinary discovery document productions to date have  
10 been insufficient to verify compliance with the preliminary injunction.

11 7. As of May 22, 2023, Defendants have produced a total of approximately 71 SFPD  
12 incident reports addressing interactions with unhoused individuals.

13 8. As of May 22, 2023, Defendants have produced a total of 53 computer-aided  
14 dispatch (“CAD”) reports pertaining to law enforcement dispatches in response to complaints  
15 about homelessness.

16 9. As of May 22, 2023, Defendants have failed to produce *any* documents, summary  
17 or otherwise, containing citation and arrest data related to California Penal Code § 148(a)  
18 (previously used to enforce move-along orders)—which citations and arrests formed a basis for  
19 the Court’s preliminary injunction.

20 10. Other than a single SFPD police bulletin issued to police officers after the  
21 injunction, Defendants have not provided Plaintiffs with any specific instructions, training  
22 materials, or other guidance documents sent to staff regarding the preliminary injunction.

23 11. Due in part to Defendants’ limited disclosures to date, Plaintiffs have had to engage  
24 an ACLU investigator, Dylan Verner-Crist, to conduct monitoring of Defendants’ compliance on  
25 a temporary basis. Mr. Verner-Crist has spent approximately four hours at each sweep operation  
26 he has attended, for approximately forty-four hours of direct fieldwork in total. Including travel  
27 time and time spent reviewing field notes and records, Mr. Verner-Crist reports that he has spent  
28 approximately seventy-five hours conducting monitoring for this case. This monitoring is not

1 sustainable for Mr. Verner-Crist given the demands of his existing job duties and we have been  
2 advised that we will not be able to rely on his services at the same level as the past 5 months.

3 12. Plaintiffs' counsel are not in a position to hire a third-party investigator to conduct  
4 further monitoring given that we are not charging our clients for our services and are not receiving  
5 any fees that could defray the costs of such monitoring.

6 **II. Publicly Available Documents Suggest That Defendants Are Not Complying With**  
7 **The Preliminary Injunction.**

8 13. The City and County of San Francisco's Office of the Chief Data Officer publishes  
9 citywide information datasets at <https://datasf.org>. Two of the relevant publicly available and  
10 regularly updated datasets are the *Law Enforcement Dispatched Calls for Service: Closed* and  
11 *Police Department Incident Reports: 2018 to Present*.

12 14. The *Law Enforcement Dispatched Calls for Service: Closed* dataset includes "all  
13 calls for service which generate a record in the Department of Emergency Management's  
14 Computer Aided Dispatch (CAD) System, and typically have a law enforcement unit dispatched  
15 to the location."<sup>1</sup> The dataset includes "only calls for service that have been closed, and is updated  
16 every 24 hours, to include the initial call type, final call type, and call disposition."<sup>2</sup>

17 15. This dataset shows that between December 24, 2022, the day after the preliminary  
18 injunction was issued, and May 22, 2023, SFPD officers were dispatched 1,120 times to a 919 call  
19 for "Sit/Lie Enforcement." A true and correct copy of an excel file listing aggregate data for each  
20 of those 1,120 Sit/Lie Enforcement dispatch calls is attached as **Exhibit A**.

21 16. The dataset further shows that between December 24, 2022, the day after the  
22 preliminary injunction was issued, and May 22, 2023, SFPD officers were dispatched 3,166 times  
23 to a 915 call for "Homeless Complaint." A true and correct copy of an excel file listing aggregate  
24 data for each of those 3,166 Homeless Complaint dispatch call is attached as **Exhibit B**.

1 17. Given that Defendants have only produced 53 detailed CAD reports relating to a  
 2 wide variety of dispatch codes, including 915 (Homeless Complaint) and 919 (Sit/Lie  
 3 Enforcement), Defendants have produced virtually none of the detailed CAD reports associated  
 4 with each of these 4,286 police dispatches.

5 18. *[Intentionally left blank]*

6 19. Below is a graphical representation of the data extracted from the *Law Enforcement*  
 7 *Dispatched Calls for Served: Closed* dataset showing the number of SFPD dispatches for 915  
 8 (Homeless Complaint) and 919 (Sit/Lie Enforcement) between December 2022 and April 2023. I  
 9 created this graph using the online tools available on DataSF’s website.

17 20. The *Police Department Incident Reports: 2018 to Present* dataset includes  
 18 “incident reports that have been filed as of January 1, 2018.”<sup>3</sup> The dataset is automatically updated  
 19 daily at 10:00 AM PT. The dataset only includes aggregate high-level information regarding each  
 20 incident report and does not contain any summary or narrative regarding each incident.

21 21. On February 2, 2023, Defendants provided Plaintiffs with a San Francisco Police  
 22 Document titled “CDW Incident Report Titles and Incodes.” Defendants explained that each  
 23 Incident Report is identified by a specific code number.

24 22. The CDW Incident Report Titles and Manuals identifies, at a minimum, the  
 25 following relevant codes: (1) **19060** – Obstruction Public Throughfare (or 647(c) PC) (2) **19062** –  
 26

1 Lodging In Park (3) **19075** – Loitering, Obstructing (4) **27199** – Lodging without Permission (5)  
 2 **30080** – Obstructions on Streets, Sidewalks (6) **30206** – Lodging, Registering w/ False Name (7)  
 3 **64000** – Civil Sidewalks, Violation (8) **64001** – Civil Sidewalks, Warning (9) **64002** – Civil  
 4 Sidewalks, Citation (10) **64003** – Civil Sidewalks – Booking.

5 23. The dataset shows that between December 24, 2022, the day after the preliminary  
 6 injunction was issued, and May 22, 2023, 11 incident reports have been generated that hits on one  
 7 of those ten relevant Incident Codes. A true and accurate copy of an excel file containing aggregate  
 8 data regarding each of those 11 Incident Reports is attached as **Exhibit C**. At least eight of these  
 9 incident reports listed a resolution of “Cite or Arrest Adult.”

10 24. Defendants have not yet provided the incident reports for each of these 11 identified  
 11 incidents, but this publicly available data demonstrates that Defendants are continuing to cite  
 12 and/or arrest individuals for offenses that may be implicated by the preliminary injunction.

13 25. It is unclear to Plaintiffs what explains the gap between the thousands of law  
 14 enforcement dispatches in response to homelessness complaints reported each month—including  
 15 **specifically for sit/lie enforcement** (*supra* ¶ 16), and the only handful of incident reports  
 16 ultimately filed by police on the scene as reflected by the SFPD’s public incident report database.

17 26. On May 11, 2023, Jesse Rogala of the SF Standard publication recorded an  
 18 unhoused individual sleeping on the ground and a police officer stomping on the ground by the  
 19 individual’s head to wake him up as three other police officers assist in forcibly removing the  
 20 unhoused person from the area of U.N. Plaza. Plaintiffs obtained a copy of this video footage. The  
 21 video of this incident is publicly available and has been posted at this URL, among other locations:  
 22 [https://drive.google.com/file/d/1vqN4f0N\\_bkfjZEUb8ZF8Iw6VEOSom/view?usp=drive\\_w](https://drive.google.com/file/d/1vqN4f0N_bkfjZEUb8ZF8Iw6VEOSom/view?usp=drive_w)  
 23 [eb&usp=embed facebook](#).

24 27. Attached as **Exhibit D** is a true and accuracy copy of email correspondence dating  
 25 between January 3, 2023 to January 20, 2023 between Luke Martin, Mahanaz Ebadi, Leo Alfaro,  
 26 and Matt Dorsey that was released in response to a Public Records Request.

27 28. Internal City emails released as part of Public Records Requests also show that as  
 28 early as January 30, 2023, City employees began to consider a process to “prepare for calls from

1 self-referred shelter-seekers.” Attached as **Exhibit E** is a true and accurate copy of email  
2 correspondence dating to January 30, 2023 from Tiana Wertheim that was released in response to  
3 a Public Records Request.

4 29. However, to date, the City’s self-referral shelter hotline has not reopened for  
5 individuals to seek shelter.

6 30. Attached as **Exhibit F** is a true and correct copy of an article published on May 24,  
7 2023 in the San Francisco Chronicle. The article reports that police will begin enforcing “illegal  
8 squatting” laws, without specifying whether unhoused individuals will be prosecuted for illegal  
9 squatting even when they do not have access to shelter.

10 I declare under penalty of perjury that the foregoing is true and correct, and that I executed  
11 this declaration on May 25, 2023 in San Francisco, California.

Good afternoon, Captain Martin—

Thank you so much for your quick response to our concerns. I am copying some of my neighbors to this email. They were on the original email thread that I sent to Captain Falvey yesterday.

I appreciate the update on the ACLU's suit against the City. I had read of this development in the papers prior to Christmas. When I last requested help from SFPD, I had the opportunity to speak with Officer Nguyen who also offered insight to the challenges confronting the Department when it comes to homelessness.

Without intending to speak for our collective, I do wish to know what kinds of support/service we can expect from the City to keep our neighborhoods accessible and safe.

At the moment, the sidewalks on both sides from [REDACTED] Natoma to 6th are blocked to pedestrians. That is a heavy traffic area for vehicles. We fear that this confluence of human and vehicular traffic, in addition to the spillage of belongings and loose debris, will unfold to some harm.

1. Is there a way in which we can protect a portion of the sidewalk for pedestrians without necessarily forcing the unhoused to move?
2. To what extent can we expect the cleanliness of the area to be maintained? As it is, MidMarket and SomaWest CBDs representatives are reluctant to approach the encampments. While understandable, I fear that this, in turn, leaves the area perennially trashed.
3. And lastly, which agencies might we reach out to for such services?

I'd certainly appreciate any practical suggestions you can offer.

Hello [REDACTED],

I am Captain Luke Martin. I have recently been promoted and transferred to Southern Station to replace Captain Falvey. He has forwarded your email about the conditions in your neighborhood. I am not sure if you are aware, but the City is being sued by the ACLU for how it handles the homeless population. Because of this lawsuit, a judge recently placed an injunction on the City and its various departments that address homelessness. The SFPD has been ordered not to enforce a handful of laws that allow us to deal with encampments and homeless issues. There are still some laws that we can enforce like blocking sidewalks, but we can not relocate any unhoused individuals. This injunction has been ordered in place until the City has enough beds for every homeless person. This being said, I directed out officers to check on the areas you mentioned in your email to see if there's areas we can still enforce and/or debris that can be cleaned and cleared. I fear that this lawsuit/injunction will cause many neighborhoods to be impacted. Feel free to direct emails to me going forward.

Thank you,

Hello All,

[REDACTED], I had our officers make contact with the encampments. They were advised of the law regarding allowing 4 feet of clear space on the sidewalks. They volunteered to leave. The abandoned material was taken away. I have attached some photos provided by our officers. We will do our best to keep an eye on this block.

Thank you,

Luke

Hi [REDACTED],

I hope this email finds you well. Regarding the tents on Minna between 8<sup>th</sup> and 9<sup>th</sup> I will contact DEM and HSCO right away. Do you by chance have photos of these as well? It helps

when I attach photos to my messages between the two orgs. I know that both DEM and HSOC have already flagged this area as a HOT spot, but I will be more than happy to inform them of the update and see if anyone can come out there to offer services. I know Captain Martin mentioned that he will have some of his officers start the process on this block! Officer Cope and Cistoni have been great help in the past and am hopeful that this may improve the situation.

As discussed in our conversation last week, the homeless community have been made aware of the injunction and the limitations placed on the city. However, our office is more than happy to reach out to the orgs and notify them of the street conditions and encampments. Do you have a 311 ticket number that you have submitted. I can see if we can have DPW power wash that area regarding the feces and pick up any trash. Please provide me with that and I will contact DPW asap. I know this is not the answer you all deserve but I will do my part to help by reaching out to the proper organizations. Thank you and I look forward to your response.

Warmest Regards,  
Mahanaz

There are at least 4 tents on 1 block of Minna  
Between 8 th and 9 th plus 2 cars that are obviously being lived in. 1 guy just set up a tent in front of our bldg. blocking the entire  
Sidewalk  
We have occupants in this bldg  
That are handicapped and require a sidewalk to get to the grocery store.  
We have a contractor painting our condo  
He was appalled at the amount of feces on our block.  
Let me be absolutely clear the situation  
Is getting worse !!! I look forward to hearing

Good morning [REDACTED] and all,

I understand that this situation is getting worse and equally or more frustrating. Not sure if the group is aware, but a few weeks ago federal judge Donna Ryu placed an injunction on the City and all of its agencies that would normally deal with homeless encampments. We have been directed to not enforce or threaten to enforce public nuisance, illegal lodging, delaying an officer in their duties, sit/lie, and safe sidewalks laws. Dept. of Health can still declare certain locations a health hazard, but I'm not sure what their criteria is or how frequently they respond to such locations. We are still enforcing our municipal code that requires 48" of space on passageways and streets, which is the ADA requirements for wheelchairs. This can be a process to get subject to adjust an encampment or relocate. We start with speaking to them and educating. If that doesn't work, we escalate to an infraction citation. The next step of enforcement is citation for a misdemeanor. If they continue the offense, then we can do a custodial arrest. I will direct our officers to start the process on this block. The homeless community has been made aware of this injunction and know all of our limitations and are taking advantage of it. We are seeing more encampments and larger ones. More neighborhoods are also starting to see these encampments. Our officers are stretched very thin. I would recommend voicing your frustration with the City Attorney as well, so that it might help their appeal with this injunction and the overall lawsuit.

Sorry Continued from last message:

I think it would be great for mentally ill, drug addicted people to get better, but that needs to happen in Mental Hospitals, Shelters and halfway housing. This cannot happen on the streets of San Francisco where we let them choose when they want to get help or not. We just keep giving them money, allowing drug dealers to thrive and expect no accountability from them because they are generationally traumatized...When is that ever going to stop anything. WAKE UP!

Thank you!

I am not sure if this covers people that are drug addicted or mentally and living in a tent or on the sidewalk.

Will this allow them to be removed and placed somewhere.

Bottom line if you are drug addicted and do not want to stop, is there anything that can be done to get them off the streets if they do not want to change??

Hello [REDACTED],

I hope this email finds you well. I completely understand that this may be visible but it is extremely important for our residents to submit these #311 request and call SFPD if they see such activity because it adds to the metrics and the reporting of these incidents helps SFPD know which areas are more active and require more police presence. Our office completely agrees that there needs to be more accountability. That being said, Supervisor Dorsey has pushed forward for *San Francisco Recovers* which is co-sponsored by Supervisor Mandelman and Supervisor Stefani. The plan is a comprehensive approach to reduce drug overdoses, incentivize recovery for those with drug addiction, and end open-air drug scenes and street-level dealing. It also aims to expand on-demand drug treatment and implement 24/7 intake capacity for those seeking recovery, so people aren't left suffering on our streets. Additionally, in his first four months in office, Supervisor Dorsey secured funding for SFPD to issue 2 new patrol officers 9am - 11pm most of the week to target open-air drug dealing, respond to the needs of small businesses, and increase overall police presence in SOMA. I have attached San Francisco recovers in this email in case you wanted to go over it or had any questions. I hope this answers your questions. Thank you for contacting our office and please let me know if you have any other questions or concerns.

Hello,

I currently live in Marin and have worked in the city for a long time. I am not sure what specifically I would report to #311. The garbage and the people living on the streets and the drug abuse is visible most times of the day in a large part of the city.

My questions for the supervisor are the following and I really appreciate you taking the time to help.

What are we doing to address the drug addicted, mentally ill population that roam the streets of the city?

What part of the Billion dollar spend is being used to address this segment?

I want to make sure we are not grouping people that are homeless but do not

Hello [redacted]

I'll be the first person to say sorry and that this is unacceptable. With the current lawsuit against the City, it really ties our hands with what we can do. Additionally, most of the narcotics offenses that are committed by the people occupying the encampments have reduced consequences that were voted on several years ago. Many of the possession of narcotics offenses that we see result in a citation. People addicted to drugs/alcohol compounded with mental health issues typically don't pay much attention to us writing them a citation. Therefore, it has little impact on changing behaviors. I have directed our officers to the areas that Brian mentions in the email string below. Unfortunately, we can only address the sidewalks being blocked or separate laws not related to their encampments. I have several meetings with some of the surrounding neighborhoods over these issues. I would be happy to set up a meeting with you and your neighborhood to discuss. Please let me know.

Hello [redacted]

The SFPD is allowed to enforce the law regarding blocking sidewalks.

For ADA purposes, there needs to be 48 inches of clearance for wheelchairs to safely traverse sidewalks and other passages.

This being said, we are waiting from the City Attorney's office to provide clarification to what extent we can enforce this law.

- The first offense results in an infraction citation.
- The second offense results in a misdemeanor citation. If the offense continues, then we can book a suspect on the continuing offense.

I'm directing our officers to start with a conversation trying to educate the offenders and have them adjust their encampments to provide that 48 inch space. If they refuse, we will issue citations.

I will direct some officers to address these areas. This has been a difficult issue to address, but we will continue our efforts to the extent we can.

Thank you,  
Luke

Dear SoMa Neighbors and Supervisor Dorsey,

1. **Russ Street** (between Howard and Folsom)
2. **Howard Street** (between 6th and 7th Street)

Both of these areas need attention. I realize there is a lawsuit pending regarding the legality of tents on sidewalks, but something needs to be done. From a safety and sanitation perspective.

Many people (dog walkers, joggers, parents pushing baby strollers) are avoiding these areas. They don't feel safe. Understandably so.

The attached photo is from Google Maps Street View. It looks nothing like this now I assure you.

Thank you,

Mecca, thanks for the nice introduction. Hi all. My name is Tiana Wertheim. I'm previously from the Human Services Agency (where, incidentally, I helped to manage the MediCal/CalFresh Call Center) and currently working on special projects for HSH.

I'd like to start conversations with 311 to think through the workflow, scripts and training to prepare for calls from self-referred shelter-seekers.

I'm in the process of identifying the key questions that we must ask these callers and cross-referencing fields to RTZ. I'd love to start to work with a **project lead(s) at 311** to think through the workflow, scripts and training. **Could you let me know whom to reach out to?**

With thanks,

Tiana

Glad I didn't miss it! I would like to have an opportunity to review too after it has been approved by HSH. Hopefully, it is keeping in mind what needs to be said to a caller vs what we can put in a template after they have submitted (which can be longer and realizing it can only be sent to those who agree to provide an email address).

Sincerely,

Hi Nancy:

Thank you for your email and sorry for the delay regarding confirmation of 311 messaging. I am hoping to have more info on the script soon. Until there are edits I am understanding we are still using the attached scripts Lauren put together for us.

Yes, I have been getting the emails and it seems manageable for now. I have been reviewing and triaging them as appropriate to the teams of SFHOT or HSOC.

I did not have success with closing tickets and wanted to clarify if we decided that after the tickets are sent to me I thought they were going to auto close? Is that also your understanding? Is that possible? Yes, I would love a weekly report that I can review with SFHOT management team. Can that come to me weekly on Monday mornings at 9am.

Finally, I wanted to add my wonderful colleague, Tiana Wertheim, who is working closely with me to find best ways to reintegrate 311 for shelter bed allocations. She maybe reaching out to speak with staff at 311 to get input on our ideas for workflow and scripts. Do you want her to work with Bryan Wong or another designee to start gathering input. Lastly, on the report the team is listed as DPH – HOT team. The program sits with HSH. Can this be updated to read HSH – HOT team?

Thank you for being such a wonderful partner in this work.

**Subject:** Meeting Follow Up - Language and Reports

Hi,

I am following up on our meeting of 01/05/23 regarding language you would be providing to 311 for when we get third party callers requesting services for unhoused individuals they are concerned about since I have not received anything as of date. Again, this is for individuals not doing any illegal activity or blocking entrance or sidewalk access. Although we did begin routing these types of requests to SFHOT

and automated an email to Mecca each time a request goes to the queue, at this time, we are simply saying we are sending a request to SFHOT.

Mecca, the email that you should have already been receiving should include all of the details of the case and it would allow you to close the request from the email (it would ask you for Verint credentials on the first time), making it easy for you to review and close out cases. Please let me know if you have not been receiving these.

Additionally, I have asked Bryan Wong of our team to create a report for you, which you could receive daily or weekly, whichever you prefer, showing all cases in your queue and it lets you see all details of the case from the report and it also lets you close out cases once you have called the individual or noted information about the case. It will ask you to provide Verint credentials to close the case. If you see something that we shouldn't have sent you, you can easily reallocate it to us by simply selecting the CSP Supervisor queue. We are seeing that you are receiving an average of 1.3 cases per day so we don't see this as something that you HSH shouldn't be able to manage on their own.

Allocate to a queue  Please Select... All Queues

Allocate to a user  Please Select...

Reason for reallocation

CSP Supervisor Queue

Generic Eform Else Queue

Reallocate Case Cancel

This can serve as another tool to easily manage cases that we may be sending to your queue. We just need to know how often you would like to receive this report, daily, weekly and at what time? Also, let us know if you have any questions related to the report.

I have reviewed the cases sent to your queue so far and I see some that perhaps we should have connected with PD or not created a service request and connected to the VM. I have already addressed this with Kevin Dyer, our Call Center Manager, and he will address this with those specific CSRs since the instructions on our KB are clear with what we had discussed.

Below is a sample of what the report will look like for you.

Welcome to the HSH Virtual Office Alternative. The Case ID and Close Case cells are both clickable links. By select Case ID, the case details will open up with 311's Verint CRM. By selecting Close Case, user will be forwarded to the case closure option of the specified service request.

The initial selection of a case will prompt a login request of the user's Active Directory (AD) user.

**UPDATE:** [Protesters halt plan to grill S.F. Mayor London Breed at U.N. Plaza over city’s open-air drug dealing](#)

[Mayor London Breed’s administration is launching a new program to work with drug users in acute crisis on the streets](#), as San Francisco faces escalating overdose deaths and public outcry over open-air drug dealing that has prompted recent [state law enforcement intervention](#).

Breed's emergency management department said Tuesday it's working on a pilot program that would target people who are a danger to themselves or others.

Details of the program, which will be announced along with Breed's budget proposal next week, remain murky.

But Supervisor Dean Preston, who represents the [hardest-hit neighborhood of the Tenderloin](#), told the Chronicle Tuesday that the emergency management department told him last week that the program would involve arresting drug users.

He said the department told him that officers would enforce two existing legal provisions: one that allows police to detain someone under the influence of a controlled substance without a prescription and another that prohibits illegal squatting. Preston's office said the department told them that after people were picked up multiple times, there may be an escalation, although it was not clear what that would look like.

Preston tweeted that the city “is preparing to start arresting people for public drug use. Arresting people for drug addiction is not “moderate” nor “commonsense.” It’s reactionary, cruel, and counterproductive.”

The emergency management department said it stood by an earlier statement when asked for a response to Preston’s comments, but did not provide more details about what exactly the plan would look like.

“San Francisco is committed to caring for people experiencing substance use disorder on the streets, as well as, mitigating the harm caused to communities by open-air drug use,” the city said in its earlier statement. “The City is developing a pilot program to address situations when someone is so far under the influence of drugs that they may pose a danger to themselves or others. We need every tool at our disposal to address the harm caused by open-air drug use.”

Breed, who was asked by Board President Aaron Peskin during the supervisors' meeting Tuesday to do more to shut down open-air drug markets, said the city would be enacting local programs to end the disruptive behavior of people using drugs on the streets who refuse services. She praised Peskin for his concern, but took a swipe at an unnamed "certain member" of the board who vocally expressed opposition to some of the work – meaning Preston.

“I get that people have an issue with the fact that we are looking at being more aggressive with people struggling with drug addiction,” said Breed, whose sister died of a drug overdose. “I want to make sure that person doesn’t die. How do we do that? Force is going to have to be a part of it, whether people like it or not...Compassion is killing people.”

Supervisor Matt Dorsey, a former police spokesman in recovery from substance use disorder who represents heavily affected neighborhood SoMa, applauded the mayor's move on Twitter on Tuesday and said it was one for which he has advocated.

The same department made similar statements last year following Breed's declaration of an emergency over the drug crisis in the Tenderloin and her stated threats to offer drug users on the streets treatment or jail. They said police would join outreach workers to urge people to get help at the then-open Tenderloin Center, a multi-purpose drop-in center in UN Plaza.

During the emergency, police seized more drugs than the year before, and reported drug incidents increased. Last summer, the department made a push to engage with drug users and during several weeks in July, San Francisco police had issued tickets or made arrests in 129 cases involving a stand-alone allegation of possessing drug paraphernalia, compared with 89 issued through all of 2021 and the first six months of 2022 combined. More recent data wasn't immediately available. But the threat of enforcement against drug users did not bring about much noticeable change on the streets.

In September, District Attorney Brooke Jenkins said her office would also crack down on some drug users. She said her office would aggregate drug possession and paraphernalia charges for people with five or more citations, so that they can be treated as a single case. Jenkins will send these bundled cases to the Community Justice Center, a court that emphasizes restorative justice and services for people with addiction or mental health issues, primarily focusing on the Tenderloin, South of Market, Union Square and Civic Center neighborhoods.

Breed's administration has struggled to get more many people into treatment despite expanding beds and services. The Tenderloin Center closed in December, after Breed said it didn't get as many people into services as she hoped and neighbors complained about surrounding conditions. The area around the shuttered center has continued to deteriorate with drug use and unpermitted vending of stolen goods.

On Tuesday, Breed faced questioning from Peskin in the plaza, an unusual twist on her regular monthly appearance at their meeting, as he demands more action from her administration to clamp down on crime and open-air drug dealing in the area. But protesters caused Peskin to cut the outdoor portion of the meeting short and move back into the board chamber for Breed's response.

Local officials have sought more help from the state and federal governments to curb the crisis. At the start of May, Gov. Gavin Newsom brought in California Highway Patrol to the Tenderloin and SoMa for additional patrols targeting drug dealing. He also assigned California Guard officers to investigate high-level drug dealing rings.

1                    **DECLARATION OF PLAINTIFF COALITION ON HOMELESSNESS**

2 I, Jennifer Friedenbach, hereby declare pursuant to 28 U.S.C. § 1746:

3            1.        My name is Jennifer Friedenbach and I am the Executive Director of the Coalition  
4 on Homelessness (the “Coalition”). I have personal knowledge of the facts contained in this  
5 declaration including the organization’s mission, programmatic work, finances, and staffing. If  
6 called upon to testify, I could and would testify competently as to the truth of the facts in this  
7 declaration. I previously provided declarations in this matter. See e.g., Dkt. Nos.9-3, 50-4, and  
8 76.

9            2.        I submit this declaration regarding the Coalition on Homeless’ monitoring of the  
10 City of San Francisco’s compliance with this Court’s preliminary injunction over the past five  
11 months. For the reasons explained below, this process is an unsustainable diversion of limited  
12 resources and can be an exercise in futility.

13            **Diversion of Resources to Monitor the City's Enforcement Operations is Unsustainable**

14            3.        The Coalition has previously reported to this Court the tremendous burden that  
15 monitoring the City’s enforcement operations has in diverting the Coalition’s resources away  
16 from its true mission—which is to help achieve true affordable housing reform that will end the  
17 City’s street homelessness crisis. That diversion of resources has meant that critical staff and  
18 volunteer resources have been taken away from mission-activities to focus on monitoring  
19 unlawful enforcement. The fiscal and programmatic impact of this diversion of resources on our  
20 small non-profit has been documented in a prior declaration. See Dkt. 9-3, ¶¶ 17-22.

21            4.        After the issuance of the Court’s preliminary injunction, the Coalition has assumed  
22 that it would no longer need to closely monitor the City’s conduct. Unfortunately, the Coalition  
23 quickly learned that Healthy Streets Operation Center (HSOC) displacement operations would be  
24 proceeding as scheduled, and that San Francisco Police Department (SFPD) would still be  
25 dispatched in response to complaints about homeless individuals sleeping in public. The Coalition  
26 received calls immediately from unhoused residents and concerned neighbors to report instances  
27 of criminalization and property destruction in the lead-up to the Court’s hearing in this case on  
28 January 12, 2022—and for which the Coalition helped to gather evidence. Dkt. Nos. 75-80. Those

1 reports have now continued on a regular basis for the five months since the injunction has issued.

2 5. In response, the Coalition has attempted to continue monitoring the City's  
3 enforcement conduct. This has been a demoralizing and under-resourced undertaking (given our  
4 size and budget). The Coalition had expected the City to provide clear information about how it  
5 was complying with the Court's injunction and had expected conditions on the ground to change  
6 quickly. We barely had the resources to conduct the monitoring we were doing in the weeks  
7 leading up to the Court's preliminary injunction.

8 6. Out of necessity, the Coalition has re-arranged staffing so that the Coalition can  
9 have a presence at approximately two to three of the ten scheduled HSOC operations happening  
10 every week. The Coalition typically sends two people to each operation—one staff member and  
11 one volunteer. Because each operation is about three and a half hours long, effectively twenty-  
12 one hours of our staff and volunteer time each week are spent at HSOC operations. As previously  
13 described, this once again means that the vast majority of the Coalition's volunteer hours are  
14 being used to monitor the City's malfeasance rather than focusing on mission-related activities.  
15 *See* Dkt. 9-3, ¶ 21 (“Unfortunately, this reflects about 75% of the Coalition's total [human rights]  
16 volunteer hours”).

17 7. The burden on the Coalition's staff has also been increasingly significant. In order  
18 to ensure a presence at HSOC operations, two of our housing justice organizers must spend  
19 several hours of their time each week training and connecting with volunteers, setting the  
20 schedule of observations for the week, doing debrief sessions and speaking to impacted unhoused  
21 people, and arranging their own and volunteer arrival at the relevant HSOC operations. About 10  
22 of volunteers have assisted. These activities have required supervision and coordination from the  
23 Coalition's Director of Organizing. Unfortunately, our Director of Organizing has recently left  
24 the organization in part due to the stressors associated with assisting unhoused individuals during  
25 an active enforcement operation over the past several months.

26 8. Even with our significant investment of resources in ongoing monitoring, the  
27 Coalition is only able to monitor HSOC operations—as Plaintiffs' counsel has been receiving  
28 advance notice of these operations with sufficient time to advise the Coalition. But the Coalition

1 has no way to monitor any other SFPD, DPW, or other planned sweep operations because the  
 2 City is only providing advance notice of these planned operations. Nor does the Coalition have  
 3 any ability to monitor the hundreds of police dispatches each month that the City sends to address  
 4 unhoused individuals and to get them to leave public space, or the regular DPW operations at  
 5 which rampant property destruction has historically been an issue. In other words, the Coalition’s  
 6 efforts cannot protect unhoused individuals from the City’s criminalization and property  
 7 destruction.

8 9. Our budget and our resources are extremely limited. This ad-hoc, reactive  
 9 monitoring work is not sustainable for the Coalition and its mission. Dkt. 9-3, ¶ 20 (“The total  
 10 cost to the Coalition of sweep monitoring during this year skyrocketed to approximately  
 11 \$134,246.56—which is greater than the compensation for the time of two full-time employees”).  
 12 Our staff and volunteers instead need to turn their attention more fully towards our important  
 13 ongoing campaigns—including advocating for better shelter access, fighting to closing of four  
 14 shelter sites and for the relocation of the unhoused individuals impacted, working with the City  
 15 to support safe parking sites for those temporarily forced to shelter in their vehicles. Coalition’s  
 16 staff, and—most critically—connecting unhoused individuals to housing resources and  
 17 advocating for the City to fulfill its commitments to provide affordable housing within the City.

18 **Monitoring at the City’s Operations Demonstrates Significant Compliance Concerns.**

19 10. The Coalition has received calls and heard from unhoused individuals on outreach  
 20 repeatedly that they are still being ordered to move along from public places simply because they  
 21 are unhoused and without officers articulating the reasons why they are being told to move. The  
 22 Coalition also continues to hear from impacted individuals whose property has been seized in  
 23 violation of the City’s Bag and Tag protocols. But the Coalition is generally unable to fully  
 24 respond to these concerns in real-time—and often hears from unhoused individuals after the fact.  
 25 In this sense, monitoring the bulk of City’s conduct can be futile.

26 11. Collectively, the Coalition staff have observed approximately 60 HSOC  
 27 operations. I have personally observed several of these HSOC operations. I share the following  
 28 observations from both myself and my staff regarding the City’s general conduct at those

1 operations that have occurred after the preliminary injunction.

2 12. *“Move-Along” Orders are Not Voluntary*: From our direct observations, it appears  
3 that city employees do not communicate to unhoused individuals that they can come back to the  
4 area once the encampment resolution is over. The unhoused individuals we speak to often state  
5 that they are left frightened, unsure, and confused about whether they can come back to that  
6 specific location. There is usually no indication that the request to move is temporary or  
7 voluntary. On certain occasions, our staff have heard city workers mention to unhoused  
8 individuals that they will return in a couple days. Signs posted indicate a “resolution” is taking  
9 place, and do not state that individuals may return. This only adds to confusion about whether  
10 unhoused people are permitted to return to the area.

11 13. *Lack of Shelter Offers*: Following the preliminary injunction, the City still does  
12 not come with enough shelter for the unhoused individuals present at an HSOC resolution. During  
13 the morning HSOC operations—which begin around 8:00AM—very few individuals receive a  
14 concrete shelter offer. HOT workers may approach individuals and may ask if they are generally  
15 interested in shelter, while at the same time telling them to pack up and move their belongings.  
16 HOT workers are very quick to dismiss any individuals who have questions about what shelter is  
17 in fact available, wrongly determining that those individuals must be disinterested in shelter.  
18 HOT workers do not re-approach people once shelter availability is determined if they are not  
19 satisfied with this first interaction. Many of these interactions are empty, leaving people without  
20 any concrete shelter offer.

21 14. Even when some concrete shelter offers are made, individuals are sometimes  
22 never successfully connected with that shelter placement. For example, the City is supposed to  
23 provide transportation and to facilitate the person’s admission into shelter because the shelter  
24 system is closed and inaccessible to self-referral. But often, unhoused individuals are left waiting  
25 for hours for the City to transport them to the shelter. Some are left waiting so long that they  
26 suspect the City workers are not coming back, rendering the shelter offers they received  
27 meaningless.

28 15. *Property Confiscation*: At the HSOC operations where the Coalition is

1 monitoring, and particularly because the City knows we are present and our staff and volunteers  
2 engage with the unhoused individuals onsite and with City workers, the City has been much more  
3 responsive to individuals' requests that their personal property be bagged and tagged. There are  
4 still ongoing issues with the City seizing personal property that is obviously of value, but our staff  
5 and volunteers are often able to intercede and resolve the situation. But the Coalition continues  
6 to receive reports that City staff repeatedly seize and destroy their belongings during HSOC  
7 operations, and at other police operations during which the Coalition is unable to be present, and  
8 during the daily DPW operations occurring across the City several times every day. These are the  
9 very same reports that the Coalition heard before this Court entered its preliminary injunction.  
10 The Coalition has no ability to monitor or directly observe all these interactions.

11           16. *Changing the Course of the Operation:* The Coalition is abundantly aware that its  
12 presence fundamentally transforms the way that City employees treat unhoused individuals—  
13 gives a much rosier impression of the City's conduct at HSOC resolutions and at dozens of other  
14 enforcement interactions happening each week without monitoring or even the guise of shelter  
15 offers. Usually when we arrive on the scene, the unhoused individuals onsite tell us that the City  
16 was asking them to move away and so they have begun to pack up their belongings. But when  
17 the City notices that we have arrived, the workers often whisper to themselves and there is a shift  
18 in attitude. The City may then offer whatever limited services or shelter they have available for a  
19 couple people onsite, and then they leave without asking anyone else to move. The unhoused  
20 people onsite tell us they are glad that we are there because the City does not harass them to the  
21 same degree when we are watching. Unfortunately, it would be impossible for us to be present  
22 for all of the City's enforcement operations to monitor their conduct.

23           17. The experience of monitoring has left the Coalition staff and volunteers  
24 exasperated. The reports we hear every day from impacted unhoused individuals is that the City's  
25 behavior has largely not changed for them since the Court's preliminary injunction went into  
26 effect—particularly when we are not present.

**DECLARATION OF DYLAN VERNER-CRIST**

I, Dylan Verner-Crist, hereby declare pursuant to 28 U.S.C. § 1746:

1. All facts set forth in this declaration are based upon my personal knowledge, and, if called upon to testify as to the truth of these facts, I could and would competently do so.

**Background**

2. I am the lead investigator at the ACLU of Northern California. In my role, I conduct factual investigations of potential civil rights violations. As part of my investigatory work, I regularly find and interview prospective clients and witnesses, review public records and other documents, conduct fieldwork, and author investigative reports and declarations summarizing my findings. I previously authored a declaration in this case. *See* Verner-Crist Decl., Dkt. # 50-3.

3. I have experience observing encampment sweeps and interviewing unhoused people regarding their experiences during sweeps throughout Northern California. I have conducted such investigative fieldwork in the cities of San Francisco (hereafter “City”), Santa Cruz, Chico, Oakland, Pacifica, Siskiyou County, and Fresno, among others.

4. Following the issuance of the preliminary injunction on December 24, 2022, I began monitoring the City’s compliance with the injunction. From January 27, 2023 through May 18, 2023, I observed the City’s actions at eleven different sweeps, attending an average of one sweep every ten days. I observed sweeps on January 27, February 2, February 9, February 14, February 15, March 1, March 3, March 23, March 30, April 6, and May 18, 2023.

5. When the sweeps were noticed, I would arrive at the time that the City was set to start its operation. I spent approximately four hours at each sweep operation that I attended, for a total of approximately forty-four hours of direct fieldwork. Including travel time and time spent reviewing field notes and records, I spent approximately seventy-five hours conducting sweep monitoring for this case.

6. During my sweep monitoring, I would frequently obtain declarations from unhoused people attesting to their experiences during the City’s operations. In my experience, obtaining declarations from unhoused people is difficult due to the circumstances. This is

1 particularly true after unhoused people have just gone through a traumatic event like having  
2 their home and belongings taken. Declarations I obtained are referenced in observations below.

3 **Summary of Observations**

4 7. Over the course of the eleven encampment sweeps that I monitored, I observed  
5 numerous violations of the preliminary injunction.

6 8. Orders to Move and Lack of Shelter Offering: I observed City workers fail to  
7 adequately offer unhoused people shelter during their sweep operations. On many occasions,  
8 the City's offer of shelter consisted of their Homeless Outreach Team ("HOT") workers asking  
9 an unhoused person a cursory question, such as "You're not interested in shelter, are you?" or  
10 "Are you interested in going inside?" before walking on. Unhoused people present at  
11 encampment sweeps who I interviewed about these shelter offers reported that these  
12 interactions do not provide them with enough information to know whether the City actually  
13 has a real shelter bed to offer them and, if so, what type of bed they are being offered and if the  
14 bed accommodates the needs of their family (such as being grouped together) or their disability  
15 (such as an accessible space). People were ordered to move despite this. I never heard the City  
16 workers indicate that any request to move was temporary or voluntary. Instead, I witnessed the  
17 City workers informing unhoused people that the Court order did not matter.

18 9. At the encampment sweeps I attended, numerous unhoused reported that the City  
19 had either failed to offer them shelter or had offered them shelter that did not meet their needs  
20 and that, as a result, they could not accept. For instance, some encampment residents reported  
21 that the HOT workers had never spoken to them. Others reported the HOT workers had only  
22 offered them shelter in congregate housing, adding that they had previously been sexually  
23 assaulted or had severe psychiatric symptoms in such restrictive or unsafe settings.

24 10. Lack of Notice: I observed numerous sweeps that were not noticed. At such  
25 sweeps, despite thorough searching, I could not find any posted notice. Interviews with  
26 unhoused people at the locations revealed that the City had neither posted notice or provided  
27 oral notice of their planned operation. At times, the City abandoned their unnoticed sweep  
28 operations when I showed up to monitor their activities.

1           11.     At other times, the City’s posting of notice consisted of one notice posted on a  
2 multiple block area, even though the encampments in question were often far-flung. When  
3 interviewed, many unhoused people in the vicinity of these sweeps had no knowledge that  
4 notice had been posted, likely because the only notice was far from their living space.

5           12.     Property Destruction: I frequently witnessed City workers destroy unhoused  
6 peoples’ property. At the sweep operations I attended, I watched City workers throw out usable  
7 sleeping bags, mattresses, clothes, furniture, tents, food, backpacks, suitcases, and other  
8 belongings, even when the belongings were evidently neither trash nor abandoned.

9           13.     I also observed unhoused people frequently attempt – only sometimes with  
10 success– to convince City workers to return their belongings to them or to not destroy their  
11 basic necessities, such as sleeping articles or clothing.

12           14.     I never observed City workers offer to help unhoused people pack up their  
13 belongings or meaningful additional time to pack up their belongings, even when the unhoused  
14 people had a visible disability.

15           15.     I never observed City workers store any property for later retrieval by unhoused  
16 people. Property was always either brought with unhoused people when they moved, left on the  
17 curb, or thrown into a dump truck. Likewise, I never witnessed City workers bring any property  
18 storage truck with them to an encampment sweep so that they could bring property that should  
19 be retained.

20           16.     I observed at least one apparent violation of the Court order and/or City policy  
21 occurring each time. Below I describe my observations at each individual sweep that I attended.

22     **January 27, 2023 Sweep**

23           17.     On January 27, 2023, I observed an encampment sweep by City workers of an  
24 approximately 15-to-20-person encampment located on both sides of Leavenworth Street just  
25 north of its intersection with Ellis Street.

26           18.     I arrived at the area at approximately 9:00 AM that morning. I observed  
27 approximately seven tents on the western side of Leavenworth Street and two tents on the  
28 eastern side of the street. True and correct copies of photos of these tents, taken at

1 approximately 9:30 AM that morning, are attached hereto as **Exhibits A and B**, respectively.

2 19. I then walked up and down the block, looking for posted notice of an  
3 encampment sweep, but I did not see any such notice.

4 20. At approximately 9:17 AM that morning, two HOT workers showed up. A few  
5 minutes later, another HOT worker showed up. As I stood approximately ten feet away, the new  
6 arrival told the other two HOT workers that the San Francisco Police Department (“SFPD”) had  
7 recently released a bulletin regarding encampment sweeps. He said that the bulletin required  
8 unhoused people to completely move their tents, adding, “They will actually have to move  
9 today.” He said that SFPD would tell the unhoused people to move and then HOT could go in to  
10 do their work. He said that they would all wait for the Incident Commander to arrive before  
11 beginning their work.

12 21. After he told the other two HOT workers this information, this third HOT worker  
13 came over to me. He asked me what City department I worked for. I told him that I did not  
14 work for a City department. He then went away. Shortly afterwards, the HOT workers began  
15 going up to unhoused people in the encampment and talking with them.

16 22. At approximately 9:30 AM, I heard one of the HOT workers ask one of the  
17 encampment residents if he was interested in shelter. The encampment resident asked if there  
18 were private rooms or hotels available. The HOT worker replied that he did not know, that he  
19 was getting names “in case,” and then added, “They’ll give us what they give us.”

20 23. At approximately that time, other City workers began showing up. I observed  
21 two San Francisco Municipal Transportation Authority (“SFMTA”) workers, one SFPD vehicle  
22 with two officers, a Department of Public Works (“DPW”) dump truck manned by two DPW  
23 workers, a San Francisco Fire Department (“SFFD”) Incident Commander, two Felton outreach  
24 workers, and a vehicle emblazoned with “Street Crisis Response Team,” all clustered around  
25 this one encampment.

26 24. I then noticed a volunteer with the Coalition on Homelessness (“COH”). As we  
27 stood talking, the third HOT worker came up to us. He told me that he now recognized me and  
28 asked if I was with COH. I told him that I was not and that I worked for the ACLU. I introduced

1 myself. He then walked away again.

2 25. I then went to talk to residents of the encampment to further understand the City  
3 workers' actions that morning. As I did so, the HOT workers also talked to encampment  
4 residents and the DPW workers began to collect scattered belongings and trash around the  
5 encampment. The encampment residents I spoke with reported that the City had told them that  
6 they would have to move that morning. *See* Harding Decl. ¶ 9; Melendez Decl. ¶¶ 5-8; Adams  
7 Decl. ¶ 9. Some reported that the City workers had told them that the preliminary injunction had  
8 been lifted, so they would have to move. *See* Melendez Decl., ¶ 6. Others reported that the City  
9 workers threatened them with arrest if they did not move. Adams Decl., ¶ 9.

10 26. At approximately 10:00 AM, as I was talking to one encampment resident, the  
11 City workers all suddenly left. I looked up and all the City vehicles and workers were gone. The  
12 unhoused people I talked with reported that they had never seen this happen before and told me  
13 that they believed it was due to my presence at the sweep. *See* Melendez Decl., ¶ 10; Adams  
14 Decl., ¶¶ 13-14. This matched my own experience and impression of the sequencing of events  
15 as well.

16 27. I stayed at the encampment until approximately 12:30 PM that day. The City  
17 workers did not return before I left.

18 **February 2, 2023 Sweep**

19 28. On February 2, 2023, I observed a City sweep of an encampment located on  
20 Mission Street between 8th and 9th Street.

21 29. I arrived at the area at approximately 9:00 AM that morning. I saw an  
22 encampment of approximately three to five tents located on Laskie Street, a small alley off of  
23 Mission Street just south of 8th Street.

24 30. At approximately 9:15 AM, I observed City workers with the Department of  
25 Emergency Management (“DEM”), SFPD, DPW, and HOT show up at the encampment site.

26 31. I did not see any notices of planned encampment sweep operations at or near the  
27 encampment at Laskie Street.

28 32. From approximately 9:40 AM to 10:30 AM, I watched as the City workers

1 approached the unhoused people in the encampment. Then, at 10:30 AM, the City workers left.

2 33. After the City workers left, I approached the people in the encampment. They  
3 reported that the City workers had collected trash but had not told them to move nor offered  
4 shelter.

5 34. I stayed in the area for another hour to see if the City workers would return. I left  
6 the area at 11:30 AM.

7 **February 9, 2023 Sweep**

8 35. On February 9, 2023, I observed a City sweep of an encampment located on  
9 Leavenworth Street between Eddy Street and O’Farrell Street. This area included the block of  
10 Leavenworth Street on which I had observed the aborted sweep operation thirteen days earlier  
11 on January 27, 2023.

12 36. I arrived at the sweep area at approximately 7:13 AM. I observed SFFD Healthy  
13 Streets Operation Center (“HSOC”) Incident Commander Charles Patrick Hardiman (hereafter  
14 “Patrick”), two SFMTA workers, an SFPD vehicle with two police officers inside, a HOT  
15 vehicle, three DPW trucks, and four HOT workers stationed around the two blocks scheduled  
16 for sweeping.

17 37. I counted five tents on the west side of Leavenworth Street between Ellis Street  
18 and Eddy Street. There were nine more tents on the west side of Leavenworth Street on the next  
19 block, between Ellis Street and O’Farrell Street. There was only one tent on the east side of the  
20 two blocks. It was located on the northern block (between Ellis Street and O’Farrell Street).

21 38. From approximately 7:15 AM to 8:15 AM, I observed the HOT workers go  
22 around to people in the encampment. During that time, I spoke to one man in the encampment,  
23 who reported that City workers had told him that it would be in his “best interest” to move. He  
24 reported that he did not know what would happen if he did not move.

25 39. After the City workers stopped talking to unhoused people in the encampment at  
26 approximately 8:15 AM, I went around to talk to encampment occupants. They reported that the  
27 HOT workers had told them that they would have to move out of the area. One man who had  
28 been told to move, Andrew Berger, reported that the HOT workers did not know if they actually

1 had shelter beds available. *See* Berger Decl. ¶¶ 8-9. Another occupant, Helen Hoffman, reported  
2 the same complaint: that City workers had told her to move, had threatened to take her property  
3 if she did not, and that the City workers did not know if they had available shelter or not. *See*  
4 Hoffman Decl. ¶¶ 7-8. Another encampment occupant, Katelin Bagley-Adams, reported that  
5 she had been told to move and threatened with property confiscation if she did not move. *See*  
6 Hoffman Decl. ¶ 7

7 40. By approximately 9:00 AM, the lower block (between Eddy Street and Ellis  
8 Street) was completely clear. All of the unhoused people on that block, included Helen  
9 Hoffman, had moved away following their interactions with the HOT workers.

10 41. At approximately 10:00 AM, the City workers began to get more aggressive.  
11 SFFD Incident Commander Patrick Hardiman approached one man in the encampment,  
12 Donovan Harding, and told him that he had been there all morning. Patrick then told Mr.  
13 Harding that he would have to start to move his belongings or “we’re going to start throwing  
14 [them] into that machine,” and pointed at a DPW dump truck stationed nearby. Mr. Harding  
15 appeared confused and tired. He was pale and did not respond.

16 42. Patrick then approached two people inside of a tent near Mr. Harding. As I stood  
17 by, he told them that they had been there all morning and would have to move their stuff “now”  
18 or “I’ll get [the police department] to come over here.”

19 43. At approximately 10:15 AM, Patrick returned to Mr. Harding and again told him  
20 to move “right now.” Patrick did not offer to assist Mr. Harding gather his belongings or move  
21 down the block.

22 44. At approximately 10:20 AM, Patrick returned to talk to the couple inside the  
23 tent. I overheard him ask them if the HOT workers had talked to them. When the couple said  
24 no, Patrick told them that they should find the HOT workers quickly because he was not sure  
25 that they still had shelter available that morning.

26 45. I then approached the couple inside the tent. I spoke with them and confirmed  
27 what I had overheard. I told them about the preliminary injunction and how it constrains the  
28 City’s actions. With my assistance, one of the two people (an unhoused woman) wrote and

1 signed a declaration attesting to what had just occurred. I took the declaration to photocopy.

2 46. At approximately 10:45 AM, Patrick Hardiman returned to Mr. Harding. The  
3 incident commander told Mr. Harding that he had not moved and then proceeded to grab his  
4 mattress and other belongings and throw them into the DPW dump truck. Attached hereto as  
5 **Exhibit C** is a true and correct copy of a photo I took at 10:47 that morning, showing Mr.  
6 Harding’s mattress in the dump truck. Mr. Harding then stumbled down the block without any  
7 of his belongings. *See* Supp. Harding Decl. ¶¶ 3-4.

8 47. At approximately 10:50 AM, Patrick Hardiman reapproached the couple inside  
9 the tent. I witnessed him ordering the couple to leave. One of them replied, “What about the  
10 ACLU?” Patrick replied that she could talk to the ACLU all she wanted and that the ACLU  
11 could not do anything. He added, “You have to go now, no matter what ACLU says.”

12 48. After this interaction, the unhoused woman came up to me and demanded her  
13 declaration back. She told me that she no longer wanted to be a witness in a lawsuit because it  
14 clearly did not matter or have any effect on the City’s actions.

15 49. At approximately 11:15 AM, the DPW workers began throwing out property that  
16 remained on the block. I watched as two DPW workers dragged a fully intact tent and threw it  
17 into a dump truck. Attached hereto as **Exhibit D** is a true and correct copy of a photo I took at  
18 11:18 AM showing DPW workers dragging the tent towards their truck.

19 50. At approximately the same time, I talked to an unhoused man at the encampment  
20 who reported that he had been offered shelter. He further reported that the HOT workers had  
21 informed him that he had to leave for the shelter imminently, so he packed up his belongings for  
22 retrieval later. As soon as he left, the DPW workers put his recently packed belongings –  
23 consisting of a blanket atop two neat suitcases – and threw them into their dump truck. Attached  
24 hereto as **Exhibits E, F, and G** are true and correct copies of photos showing the suitcases,  
25 DPW workers dragging the suitcases towards the dump truck, and the suitcases inside the dump  
26 truck. I took these photos at 11:18 that morning.

27 51. By 11:30 AM, the encampment was almost gone. All the occupants had left. I  
28 stayed around until the sweep had concluded at 12:00 PM and then left.

1 **February 14, 2023 Sweep**

2 52. On February 14, 2023, I observed a City sweep of an encampment located on  
3 Russ Street between Howard Street and Folsom Street and of another encampment located  
4 across the street on Sherman Street adjoining Victoria Manalo Draves Park.

5 53. I arrived at the noticed location shortly after 7:00 AM. I observed six tents on  
6 Russ Street, four on the northern side of the block and two on the southern side.

7 54. At approximately 7:15 AM, I saw two SFPD officers, one SFPD vehicle, SFFD  
8 Incident Commander Charles Patrick Hardiman, six HOT outreach workers, two SFMTA  
9 workers, and one DPW truck stationed on Russ Street.

10 55. At approximately 8:00 AM, I talked to one unhoused woman in a tent on Russ  
11 Street. She reported that the City had been coming to that location weekly for the past month,  
12 telling her and her partner to move, and threatening to throw out their belongings if they did not  
13 move. She reported that the only shelter that she had been offered was for single women, which  
14 would have entailed separation from her partner.

15 56. Later that morning, an unhoused person went to talk to the City workers about  
16 whether he would have to move. The City workers told him that he would have to move that  
17 morning, so he and his neighbor began to pack up their belongings.

18 57. From 8:30 AM to approximately 11:45 AM, I watched as unhoused people  
19 hurriedly packed up their belonging as the City workers stood on watching. Then, without  
20 warning, the City workers left shortly before noon, with many unhoused people still only half-  
21 packed up.

22 58. I interviewed some of the encampment occupants and asked whether the City  
23 had told them that they would have to move that day or not. Some reported that the City had not  
24 said anything to them at all. One man, Henry Jones, reported that Patrick Hardiman had  
25 informed him that the City would be returning at 3:30 PM that day and that any property  
26 remaining on the block would be thrown away. Mr. Jones reported that he was tired of the City  
27 giving him constant, contradictory orders of where he had to go and when. *See Jones Decl.* ¶¶  
28 10-11.

1 59. I left the encampment area at approximately 12 PM.

2 **February 15, 2023 Sweep**

3 60. On February 15, 2023, I observed a City sweep of two locations: Crisp Road  
4 between Palou Avenue and Revere Avenue, and Palou Avenue southeast of Griffith Street. Both  
5 locations are in the Hunters Point neighborhood.

6 61. I arrived at the noticed location at approximately 7:05 AM. I counted  
7 approximately three recreational vehicles (“RVs”), five trailers, and three vans parked in the  
8 area described on the City’s sweep notice, which was posted to a tree on Crisp Road between  
9 Palou Avenue and Revere Avenue. A true and correct copy of the posted sweep notice is  
10 attached hereto as **Exhibit H**.

11 62. The sweep notice further describes that the City would be sweeping an area  
12 described as “Griffith/Palou/Thomas/Ingalls Grid – including Shafter and Revere” later that day  
13 at 1:00 PM. This described zone is an area occupying eight square blocks, or almost a square  
14 mile in size. After reading the posted notice, I drove around this area. I counted approximately  
15 five to ten RVs and vans parked on adjoining blocks but no tents. I did not see any notices  
16 posted at or near any of these RVs or vans. The only notice I observed for the entire eight block  
17 area was the one posted on Crisp Road between Palou Avenue and Revere Avenue.

18 63. At approximately 7:15 AM, I observed approximately ten City workers stationed  
19 on Crisp Road. I observed staff from DEM, SFPD, SFMTA, HOT, and DPW arriving for their  
20 operation.

21 64. At approximately 7:40 AM, the HOT workers began going around to the  
22 encampment occupants. Shortly afterwards, the encampment occupants began to hurriedly pack  
23 up their belongings.

24 65. Over the next three hours, I watched as the unhoused people hurriedly packed up  
25 their belongings and attempted to move their vehicles. At one point, at approximately 8:45 AM,  
26 one of the unhoused people asked an SFPD officer how much time they had to pack up. The  
27 officer replied that he did not know and that the unhoused person should talk to someone else.

28 66. None of the City workers helped or even offered to help any of the unhoused

1 people pack up their belongings. Attached hereto as **Exhibit I**, for example, is a true and correct  
2 copy of a photo that I took at 10:54 that day. It shows DPW workers standing around, lying  
3 down, and looking at their phones as unhoused people hurriedly pack up their belongings.

4 67. Instead of assisting the unhoused people, the City’s workers criticized and  
5 mocked them. At approximately 11:05 AM, I heard a DPW worker complaining to his  
6 colleagues about outreach organizations that provided aid items to unhoused people, adding, “If  
7 we stopped giving them [belongings], we wouldn't have to pick [them] up.” Approximately five  
8 minutes later, SFFD Incident Commander Charles Patrick Hardiman walked directly by one  
9 woman who was hurriedly packing up her belongings, remarking as he passed, “Welcome to the  
10 sh\*t show.”

11 68. The unhoused people finished packing up their belongings at approximately  
12 11:30 AM. Then, the DPW workers disposed of everything else. I did not see any of the DPW  
13 workers store any of the belongings for safekeeping.

14 69. I left the site at approximately 11:30 AM.

15 **March 1, 2023 Sweep**

16 70. On March 1, 2023, I observed a City sweep of an encampment located on  
17 O’Farrell Street between Jones Street and Taylor Street.

18 71. I arrived at the site of the City’s planned sweep at approximately 10:15 AM. I  
19 saw two SFPD officers, one SFPD vehicle, four HOT workers, some DPW workers with two  
20 DPW dump trucks, SFMTA workers, and an SFFD incident commander. I also saw an  
21 encampment of approximately six tents, with three on each side of the block.

22 72. I did not see any posted notice at or near any of the tents on either side of the  
23 street.

24 73. I then went to talk to the residents of the encampment. They reported they had  
25 been told to move and that if they did not move then the City would take their belongings. *See*  
26 Myers Decl. ¶¶ 14-15, Donohoe Decl. ¶¶ 5-6. One of the unhoused people living on the north  
27 side of the block, Abimbola Myers, told me that he was told to move but that the HOT workers  
28 had not offered him shelter. Myers Decl., ¶¶ 15-16.

1           74.     At approximately 10:15 AM, the SFFD incident commander approached one of  
2 the plaintiffs in this action, Joshua Donohoe, who was at the encampment. I heard the incident  
3 commander tell Mr. Donohoe that the City had not properly posted notice of the encampment  
4 sweep and so now the individuals would no longer have to move. I did not see the incident  
5 commander go to the other encampment occupants in a similar fashion.

6           75.     The unhoused people on the other side of the street continued to pack up their  
7 belongings and move down the block. After these unhoused people had packed up their  
8 belongings, the DPW workers began pressure-washing that part of the sidewalk.

9           76.     The City workers left at approximately 11 AM after finishing the operation on  
10 only the north side of the block. The workers did not appear to provide any notice that they had  
11 finished before leaving. I left the encampment shortly afterwards.

12           77.     While on my way from the site of the sweep, I passed a notice posted at or  
13 around 350 Jones Street. The notice, a true and correct copy of which is attached hereto as  
14 **Exhibit J**, was dated February 25, 2023, but takes a different form from the City's typical  
15 notices. It does not describe any shelter offerings connected with a potential sweep and states  
16 that the City will dispose of any bulky property items, which I understand to be  
17 unconstitutional. *See* Ex. J.

18     **March 3, 2023 Sweep**

19           78.     On March 3, 2023, I observed a City sweep of an encampment located on  
20 Mission Street near its intersection with 7th Street.

21           79.     I arrived at the area at approximately 9:00 AM. I observed two SFPD officers,  
22 two SFPD vehicles, two DEM vehicles, two SFMTA officers, and two SFMTA vehicles. I also  
23 saw a cluster of four tents on Mission Street just south of its intersection with 7th Street and one  
24 tent on 7th Street just east of the intersection. There was another cluster of approximately nine  
25 tents a block away on Minna Street just south of 7th Street.

26           80.     I did not observe any posted notice at or near any of the five tents clustered  
27 around the 7th Street and Mission Street intersection. I also did not see any notices posted at or  
28 near any of the nine tents on Minna Street.

1           81.     At approximately 9:20 AM, four HOT workers with purple lanyards showed up.  
2 They began talking to unhoused people inside the five tents. They then went to Minna Street.

3           82.     At approximately 9:30 AM, I witnessed an unhoused man leave the encampment  
4 with his belongings. He was yelling and appeared upset. As he walked away, I asked him what  
5 the City workers had told him. He reported that the HOT workers had said to him three times,  
6 “You don’t want shelter?” but had not actually offered him shelter nor explained to him what  
7 sort of shelter was available. He told me that he had packed up his belongings and left in  
8 frustration.

9           83.     At approximately 9:50 AM, I talked with another encampment occupant, Ronald  
10 Wilson, near one of the Minna tents. Mr. Wilson reported that he heard the City workers talking  
11 about the Minna Street encampment, saying that they were getting a headcount that day and  
12 would return the next day to force the residents to move. *See* Wilson Decl. ¶¶ 5-6. Mr. Wilson  
13 told me that he also did not see any notice posted at the encampment. *Id.*

14           84.     At approximately 10:00 AM, approximately four DPW workers showed up at the  
15 Mission Street and 7th Street intersection in three different DPW trucks.

16           85.     At approximately 10:10 AM, an SFFD incident commander looked inside one of  
17 the four tents stationed on Mission Street and then told one of the unhoused people standing  
18 nearby that the tent was abandoned. The unhoused man, Maurice Moran, began to argue with  
19 the incident commander, telling him that the tent belonged to his neighbor, who was at the  
20 dentist. He told the incident commander that the tent was not abandoned.

21           86.     I then spoke with Mr. Moran. He reported that he did not know that the City  
22 workers were going to come for a sweep and that he had not seen any notices. *See* Moran Decl.,  
23 ¶ 10. He told me that the City’s HOT workers had only offered him a congregate shelter, which  
24 he could not accept due to previous traumatic and triggering experiences in such shelters. *Id.*, ¶  
25 6. He then told me that the HOT workers had not offered him any non-congregate shelters after  
26 he informed them that he could not accept a congregate shelter. *Id.*

27           87.     At approximately 10:15 AM, I watched as the DPW workers took one of the four  
28 tents on Mission Street and started to put it into their dump truck. I watched as Mr. Moran

1 argued with the workers, telling them that the tent belonged to his friend. He asked the workers  
2 if he could take some backpacks and other belongings out of the tent before they trashed it.  
3 With me standing on, the workers agreed to let Mr. Moran take some belongings out of the tent,  
4 but the tent was destroyed.

5 88. Approximately five minutes later, a woman showed up. She went up to the tent  
6 that the workers were disassembling and grabbed some belongings out of it. She appeared  
7 distraught. She told the workers that the tent belonged to her. The workers continued to  
8 dismantle and dispose of the tent.

9 89. At approximately 10:25 AM, the DPW workers began washing the area where  
10 the tent had been on Mission Street. Attached hereto as **Exhibit K** is a true and correct copy of  
11 a photo of a DPW worker power-washing the area where the tent had been.

12 90. At approximately 10:35 AM, the City workers all suddenly left after taking the  
13 one tent and cleaning the area around it. The workers did not appear to give any reason for their  
14 sudden departure.

15 91. At approximately 11:45 AM, the same DPW workers drove by again. They  
16 appeared to see me and then drove off again.

17 92. I left the area at approximately 12:00 PM.

18 **March 23, 2023 Sweep**

19 93. On March 23, 2023, I observed a City sweep of a number of tents located on  
20 Masonic Avenue from Euclid Avenue to Geary Boulevard and on Geary Street from Masonic  
21 Avenue to Presidio Avenue.

22 94. I arrived at the noticed area at approximately 1:30 PM that day. When I arrived, I  
23 observed one tent on the east side of Masonic Avenue between Euclid Avenue and Geary  
24 Street. There was no notice of the sweep posted on or near the tent.

25 95. At approximately 1:40 PM, I observed approximately ten City workers standing  
26 on or around Geary Boulevard near Masonic Avenue and Presidio Avenue. I counted  
27 approximately five SFPD officers, three HOT workers, one DEM supervisor, and some SFMTA  
28 personnel. I also observed an encampment of approximately four tents along Geary Boulevard

1 just north of Masonic Avenue.

2 96. One of the tents was on a median on Geary Boulevard just west of the  
3 intersection with Presidio Avenue. At approximately 1:45 PM, I observed an SFPD officer  
4 talking to the unhoused people inside the tent. I overheard him ask them, “Do you want to go  
5 inside?” He did not say more than that or explain what he meant by the question.

6 97. At approximately 1:55 PM, I talked to one of the individuals inside the tent on  
7 the Geary Boulevard median. She told me that the officer had asked if she was interested in  
8 going inside, but that the officer did not have specifics on what sort of shelter was available.  
9 She further reported that the officer had told her that she would have to move that day.

10 98. I did not observe any posted notice at or near this tent.

11 99. At approximately 2 PM, the City workers began talking to unhoused people on  
12 the east side of Masonic Avenue close to the intersection with Geary Boulevard. I did not  
13 observe any posted notices at or near these peoples’ tents.

14 100. At approximately 2:30 PM, I talked to one of the unhoused people camping on  
15 the east side of Masonic Avenue near Geary Boulevard. He reported the City had offered him  
16 shelter in an outdoor tent city-type sanctioned encampment.

17 101. I then spoke to another unhoused man who was camping in the same location.  
18 He reported that the City workers had come up to him and told him to move because his tent  
19 was blocking the sidewalk. He said that he had asked them if he could move his tent to open up  
20 the sidewalk. He then said that the City had responded by telling him that he needed to move  
21 entirely off the sidewalk so that they could clean the street. He said that the City workers had  
22 not raised street cleaning until he had asked if he could stay in the same area. He told me that he  
23 had not received any notice of the sweep. I did not see any notice posted on or near his tent.

24 102. At approximately 4 PM, I observed DPW workers loading the tent that had been  
25 erected on the median along Geary Boulevard into a dump truck. From my observations, the  
26 City workers did not appear to be storing any of the property. All the contents of the tent were  
27 being loaded into a dump truck.

28 103. Approximately half an hour later, at 4:30 PM, one of the occupants of the tent

1 that had been on the Geary median returned. He was yelling and appeared distraught. He told  
2 me that the City had offered him a hotel shelter room and that he had left for that room without  
3 gathering his property because the HOT workers had told him that he needed to go. He said that  
4 when he returned to the area where his tent had been, he saw that all his property, including his  
5 clothes and shoes, was gone.

6 104. At approximately 4:45 PM, I talked with another unhoused person at the  
7 encampment, Corey Barkley. Mr. Barkley reported that the DPW workers had just thrown his  
8 belongings into their dump truck without asking him. *See* Barkley Decl. ¶ 18. He said that when  
9 he attempted to get his property, including his sleeping bag and food, from the dump truck, an  
10 SFPD officer had stopped him. Mr. Barkley was yelling and appeared distraught over the City's  
11 actions.

12 105. Attached hereto as **Exhibit L** is a true and correct copy of a photo of Mr.  
13 Barkley's property that I took approximately two hours before this, at 2:19 PM that day. The  
14 photo shows that Mr. Barkley's property included a mattress, sleeping bags, a suitcase, and  
15 clothing. At 4:45 PM, I did not see any of this property in the vicinity of the sweep.

16 106. I left the sweep location at approximately 4:50 PM. At this point, I did not  
17 observe any other City workers left at the site.

18 107. I did not observe the City conduct any street cleaning or washing of the area  
19 before I left. The City workers had left the remnants of Mr. Barkley's property on the curb and  
20 the street when they left. The street appeared more littered than it had been when I had arrived  
21 at the beginning of the cleaning operation.

22 **March 30, 2023 Sweep**

23 108. On March 30, 2023, I observed a City sweep of two encampments, one located  
24 on Fern Street between Polk Street and Larkin Street and the other located on Hemlock Street  
25 between Polk Street and Larkin Street.

26 109. I arrived at the Hemlock Street encampment at approximately 8 AM. I observed  
27 approximately two tents on the street, inhabited by approximately two people. I also observed  
28 approximately six DPW workers overseeing an unhoused woman move her property from

1 Hemlock Street to Larkin Street. I did not see any notices posted on or near the tents stationed  
2 on Hemlock Street.

3 110. At approximately 8:08 AM, a DPW worker walked up to one of the older women  
4 in the encampment and said to her, in Spanish, “What are we going to do with you?”

5 111. At approximately 8:10 AM, some SFPD officers arrived at Hemlock. They were  
6 soon joined by DEM workers. These City personnel stood by as the encampment occupants  
7 moved. I did not observe any of the City workers inform the unhoused people why they had to  
8 move, when they could return to their previous location, or offer them shelter.

9 112. I then walked up Larkin Street two blocks to get to the Fern Street encampment.  
10 I arrived at the Fern Street encampment at approximately 8:15 AM. I observed four HOT  
11 workers and two HOT vehicles stationed outside a small encampment of approximately six  
12 tents, stationed neatly on one side of the Fern Street alley.

13 113. As I watched, the HOT workers went around to each tent, asking the occupants  
14 loudly, “Do you want to go inside today?” I did not hear the HOT workers explain what they  
15 meant by this question or tell the occupants what types of shelter, if any, they had available.

16 114. After the HOT workers talked with the encampment residents, the City waited  
17 around for the next approximate two to three hours. During this time, the HOT workers  
18 approached some of the encampment occupants. According to one these occupants, Thomas  
19 Draper, the HOT workers told him that they would have to move from the area but did not offer  
20 him shelter. *See* Draper Decl. ¶¶ 6-7. The HOT workers left at approximately 11:00 AM.

21 115. At approximately 11:25 AM, DPW workers began removing property from the  
22 encampment, including bedding/mattress from one tent. I did not observe DPW workers store or  
23 offer to store any personal property during their operation.

24 116. At approximately 11:30 AM, an unhoused woman in the encampment came up  
25 to me. She told me that she was looking for the HOT workers, who had told her that they would  
26 take her to a shelter. She seemed upset. I told her that I had not seen the HOT workers. She then  
27 went to pack up her belongings.

28 117. At approximately 12:00 PM, the City workers all left. I went to talk to some of

1 the encampment occupants who were still camped on Fern Street. They told me that the City  
2 workers had said that the encampment occupants would still have to move, but that they were  
3 unsure when that would be. The encampment occupants reported that they did not know if they  
4 would have to move that day, the next day, or not at all.

5 118. I left the sweep location shortly after 12:00 PM.

6 **April 6, 2023 Sweep**

7 119. On April 6, 2023, I observed a City sweep of an encampment located next to a  
8 highway around Berry Street and King Street in the Mission Bay neighborhood of the City.

9 120. I arrived at the noticed location at approximately 8:20 AM. I observed three  
10 SFFD personnel, a few DEM employees, four SFPD officers, two SFMTA workers in their  
11 vehicles, three DPW workers and trucks, and a few HOT workers.

12 121. The City entered the encampment area at approximately 8:30 AM. I observed  
13 that there were approximately six tents in the encampment. I counted approximately ten people  
14 in or around the tents.

15 122. Over the course of the next hour, the HOT workers approached the encampment  
16 occupants to talk to them. After the HOT workers had finished talking with each occupant, I  
17 went up to each occupant and asked them what the HOT workers had told them. One occupant,  
18 Troy Hawthorne, reported that he was living on the street with his adolescent son. *See*  
19 Hawthorne Decl. ¶ 7. He reported that the HOT workers offered him a hotel shelter but told him  
20 that his son could not accompany him. *Id.*, ¶ 8.

21 123. At approximately 10 AM that morning, SFFD Incident Commander Charles  
22 Patrick Hardiman approached Mr. Hawthorne, who has severe disabilities and uses a wheelchair  
23 to ambulate. *Id.*, ¶¶ 3-4. Patrick told Mr. Hawthorne that I could help Mr. Hawthorne pack up his  
24 belongings and move. *Id.*, ¶ 9. Neither Patrick nor any other City worker assisted or offered to  
25 assist Mr. Hawthorne move his belongings, despite his evident disability.

26 124. After I had finished assisting Mr. Hawthorne move his belongings, I returned to  
27 the encampment. By this time, it was approximately 10:30 AM. All of the encampment  
28 occupants had now left. I stayed to observe DPW's clean-up operation and then left at

1 approximately 10:45 AM.

2 **May 18, 2023 Sweep**

3 125. On May 18, 2023, I observed a City sweep of an encampment located around the  
4 intersection of San Bruno Avenue and Alameda Street. The encampment stretched a few blocks  
5 in either direction along San Bruno Avenue, from Division Street to the north to 16th Street to  
6 the south.

7 126. I arrived at the noticed location at approximately 8:00 AM. I observed a total of  
8 approximately eighteen tents, seven RVs, and three vans stationed in the described area.

9 127. At approximately 8:10 AM, I observed an SFFD incident commander, three  
10 HOT workers, four SFPD officers, and one DPW worker in a DPW truck. Over the course of  
11 the next half hour, approximately four more DPW workers in a total of three truck arrived at the  
12 location of the sweep operation.

13 128. At the intersection of San Bruno Avenue and Alameda Street, I observed that the  
14 City had posted a notice describing the area as a “NO LODGING ZONE” and threatening  
15 enforcement of Penal Code § 647(e) to anyone lodging in the area. A true and correct copy of a  
16 photo of this notice is attached hereto as **Exhibit M**. I took this photo at approximately 11:42  
17 AM that day.

18 129. The City’s sweep operation concluded at approximately 11:30 AM. I left the area  
19 at approximately 11:45 AM.

20 I declare under penalty of perjury that the foregoing is true and correct.

21 Executed on May 24, 2023 at San Francisco, California.

**SUPPLEMENTAL DECLARATION OF JEZZEILLE MURDOCK**

I, Jezeille Murdock, hereby declare pursuant to 28 U.S.C. § 1746:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify I could competently do so.

2. I am 39 years old. I am involuntarily homeless. I have health conditions that limit the type of housing I am eligible for, but am actively searching for housing.

3. I previously submitted a declaration in support of the above case. Murdock Decl., Dkt. # 9-6 [4-53 – 4-55]. I submit this supplemental declaration regarding my experience during an HSOC encampment resolution on January 17, 2023.

4. A little after noon on January 17, 2023, HOT, DPW, SFPD, and SFFD arrived to where I was staying on Mission Street between 15<sup>th</sup> and 16<sup>th</sup> Streets.

5. I was given notice, both verbally and in writing, that the City would conduct a sweep on Friday. However, the City departments instead arrived on Tuesday. I was present when the sweep began. I was supposed to go to an orientation appointment for my General Assistance, but, when the City arrived, I knew from my previous experiences that I could not leave my belongings or they would be thrown away. I made the difficult choice to stay and try to protect what property I could, and I missed this important appointment.

6. When the City arrived, they told me I would have to move. The HOT team told me, “It’s time to go.” There was no indication that this was a temporary or voluntary request.

7. I was feeling unwell that day, so I was moving a bit slowly. Nonetheless, I tried to pack up as quickly as I could. As I was packing, the SFFD Incident Commander, Patrick, heckled me and told me to “just give in and throw in the towel.”

8. I told City workers not to take my tent poles, as I needed them to erect shelter every night to protect myself from the elements. However, they did not listen to me and instead threw my tent poles away. Patrick also cut through and destroyed several of my tarps that I used for shelter.

9. That day, I lost many valuable belongings, including catering equipment that I use to supplement income, an electric bike, batteries and a charger, solar panels, and deeply

1 sentimental items like a ring and earring set that were commissioned by my deceased husband.

2 10. The City did offer me a congregate shelter space. I explained—as I have many  
3 times before—that I cannot accept a congregate shelter space because of my medical conditions.  
4 The SFFD Incident Commander said that he would attempt to find a hotel room for my campmate  
5 at the time and me. However, by the end of the sweep, we still had not been connected with viable  
6 shelter. Nonetheless, I had to leave the area with the belongings that I had managed to save.  
7 Although Patrick promised to follow up with us once he checked with his superior, I have not seen  
8 him since that time.

9 11. It is extremely traumatic to have to try and decide what belongings you grab in the  
10 chaotic moments of a sweep, when all of them are important to your daily survival and shelter  
11 means and needs.

12  
13 I declare under penalty of perjury that the foregoing is true and correct, and that this  
14 declaration was executed on February 10, 2023 in San Francisco, California.

**DECLARATION OF KYLE ADAMS**

1  
2 I, Kyle Adams, declare:

3 1. I have personal knowledge of the facts set forth in this declaration and, if called to  
4 testify, could competently do so.

5 2. I am 39 years old. I am involuntarily homeless. I live on the streets of San  
6 Francisco (“City”) with my wife, Katelyn Adams. For approximately the last month, we have  
7 lived in our tent on the northeast side of Leavenworth Street near Ellis Street in the City. We  
8 have been homeless, living in a tent, since SFPD and SFMTA towed our motor home where we  
9 had been parking in the City.

10 3. In the last year, my wife and I have been swept by the City at least ten times. Each  
11 time, the police tell us that we have to leave. Each time, we lose some of our belongings. We  
12 even lost our wedding rings during one sweep.

13 4. On January 23, 2023, at approximately 8 AM, the City showed up and told us that  
14 we would have to move from Leavenworth Street. All of the typical City departments were there:  
15 SFPD, SFFD, HOT, SFMTA, and DPW. No notice had been posted of the sweep. It was a  
16 complete surprise. Some DPW workers grabbed our property, which had been outside our tent,  
17 and threw it into their dump truck. These had been bags of our clothing, including my wife’s  
18 shoes. We told them that the bags were our belongings. They refused to get the belongings out of  
19 the dump truck, telling us that the property had been “unaccounted for.”

20 5. During that sweep, they moved a port-a-potty that was a few feet from our tent.  
21 Urine and feces leaked out and ran down the hill into our tent. One of the DPW workers told us  
22 that we would have to move right then and there or urine and feces would go over our  
23 belongings. It had only been approximately a half hour and we were still packing up. We  
24 grabbed everything that we could and hurried down the hill. We lost a lot of belongings that day,  
25 including clothes, food, and my wallet.

26 6. During that sweep, the HOT workers offered us shelter, but told us that we would  
27 have to be split up. We have been married for eleven years, but the City won’t let us be in a  
28 shelter together. We really want to be off the street.

1           7.       Four days later, on January 27, 2023, the City showed up again. The only warning  
2 that we received came the previous night, when a person came by our tent at approximately 6  
3 PM and told us that we would have to move the next day. He said that the police would come the  
4 next day and have us move. He did not identify himself and we did not leave our tent to see who  
5 it was. No written formal notice was posted about that sweep either.

6           8.       The City had showed up the morning of January 27<sup>th</sup> at approximately 9 AM. One  
7 of the HOT workers came by and asked if we would come out of our tent. We were getting  
8 dressed and could not come out at that moment. They told us that they could offer us shelter. We  
9 were very relieved. I told them that the shelter offer was a blessing. But then they said they were  
10 going to split us up again. They then criticized us, telling me that I didn't care about my wife  
11 because I wasn't willing to split up from her. I told them that I can't be separate from my wife.  
12 They didn't offer us anything after that.

13           9.       During the conversation with the HOT worker, they told me that we would have  
14 to move. They told me that if we stayed then we would lose all of our belongings and maybe  
15 even get arrested. They said we would have to leave that block permanently.

16           10.      After the HOT worker went away, the other City workers began doing their thing.  
17 The DPW workers started picking things up and the SFPD officers came by, likely to start telling  
18 us to leave.

19           11.      Suddenly, the City workers all left. They all stopped what they were doing and  
20 disappeared. In all the sweeps that I have experienced, they have never done that. They've never  
21 just disappeared. It was weird.

22           12.      Before they left, they told us that they would be doing these sweeps every four  
23 days.

24           13.      After they left, a man came by and told us that he was an investigator with the  
25 ACLU. He explained that there is a current lawsuit against the City and a court order preventing  
26 the City from sweeping people and citing them for being homeless. In my opinion, the City left  
27 because he showed up.

28           14.      I am very worried that if and when the ACLU leaves the city will come back and

1 force us to leave. I am confident that they will come back in four days and sweep us out of here.

2 15. The City doesn't treat us like we are humans. They treat us just like disposable  
3 people. They treat us the same way as the garbage that they throw in the street.

4 I declare under penalty of perjury that the foregoing is true and correct, and that this  
5 declaration was executed on January 27, 2023 at San Francisco, California.

**DECLARATION OF DONOVAN EUGENE HARDING**

I, Donovan Eugene Harding, declare:

1. I have personal knowledge of the facts set forth in this declaration and, if called to testify, could competently do so.

2. I am 31 years old. I am involuntarily homeless. I have been homeless for approximately two years. I have lived on the streets of San Francisco (“City”) for approximately three months. I mostly camp in my tent on Leavenworth Street just north of Ellis Street in the City.

3. On January 23, 2023 at approximately 8 AM, City workers came by the area where I camp – along with around 20 other people – and told me that I would have to move. No one had come by in advance and told us that we would have to move. There was no formal, written notice of the sweep either.

4. One of the City workers, a paramedic, told us that we would have to move. We asked him why a paramedic was telling us to move. He told us that he would get an SFPD officer to come tell us to move.

5. A few minutes later, a cop came over. He told us to move immediately. He told us “to get the hell out of there.”

6. I started to pack up all my stuff and move as quickly as I could. I couldn’t get anyone to help me. I moved everything I could but I wasn’t fast enough. The paramedic picked up my tent – without asking me – and moved it up the hill. The DPW workers then tipped a port-a-potty that had been next to my tent and started spraying the ground. A lot of feces and urine leaked out of the port-a-potty and leaked downhill into the tents below mine.

7. The City came back and started to sweep me again on January 27, 2023. They showed up that morning at around 9 AM. Every City Department who do sweeps was there: SFPD, SFFD, HOT, SFMTA, and DPW.

8. No one had shown up before the sweep and given the notice of the sweep. No formal, written notice was posted of the sweep.

9. The first notice I received was from the HOT team. One of the HOT team workers

1 came by at around 9 AM and told us that we would have to move that morning. They told us that  
2 it would not be optional.

3 10. After the HOT workers came by, the DPW workers showed up. They threw me  
4 some trash bags and told us to start moving.

5 11. Just after that, though, the City suddenly left. They all just disappeared. It was  
6 very weird.

7 I declare under penalty of perjury that the foregoing is true and correct, and that this  
8 declaration was executed on January 27, 2023 at San Francisco, California.

**DECLARATION OF CARMEN MELENDEZ**

I, Carmen Melendez, declare:

1. I have personal knowledge of the facts set forth in this declaration and, if called to testify, could competently do so.

2. I am 28 years old and involuntarily unhoused. I have been unhoused for approximately four years. I typically sleep in a tent on Myrtle Way and with a friend in their tent near the intersection of Leavenworth Street and Ellis Street in San Francisco (“City”).

3. On January 27, 2023, at approximately 9:00 AM, I was sitting on the sidewalk next to the tent where I had stayed the night. At approximately that time, I began to see City workers show up at the group of tents. There were approximately seven tents and 15 people living outside in the cluster of tents in this area.

4. At approximately 9:30 AM that day, a worker from the City came up to me. He told me that the City might have shelter or services to provide me with. I asked him what he meant. He told me that he works for the City’s Homeless Outreach Team.

5. As we were talking, I began sweeping up the dirt around the tent. He told me that I did not need to sweep because the City was coming to move us and clean the area. He told me that we would have to move from the area.

6. After he told me this, I told him that there was an injunction preventing the City from forcibly moving unhoused people on the street. He told me that the court order had been lifted and that the case was over. He told me that because the order was gone, I would have to move. Shortly after, he ended the conversation.

7. Over the next half hour, more and more City workers, including SFMTA, DPW, SFFD, and SFPD officers began to show up.

8. My conversation with the HOT worker was the first time anyone told me that I would have to move that day. There were no notices posted of this sweep and no one came by before the sweep to tell us that we would have to move.

9. I currently have a housing referral for a place on Howard Street, but have not been able to complete the process because the City keeps moving me around. Every time that the City

1 moves me around, I lose more and more of my property. This makes it very hard to keep the  
2 information I need to get real housing. It also destabilizes me, forcing me to cart around my  
3 belongings from place to place rather than focus on what I need to do.

4 10. As I was talking to an ACLU investigator after my conversation with the HOT  
5 worker, the City workers suddenly all left. The police, SFMTA, HOT, SFFD, et cetera suddenly  
6 drove away. I have been swept by the HOT and City workers at least thirty times before, through  
7 the City. I have never seen them all come, tell people that they would have to move, and then  
8 suddenly disappear before. In my opinion, the City workers left because the ACLU and Coalition  
9 on Homelessness workers were there and saw what they were doing.

10 I declare under penalty of perjury that the foregoing is true and correct, and that this  
11 declaration was executed on January 27, 2023 at San Francisco, California.

**SUPPLEMENTAL DECLARATION OF JOSHUA DONOHOE**

I, Joshua Donohoe, hereby declare pursuant to 28 U.S.C. § 1746:

1. My name is Joshua Donohoe and I am thirty-three years old. I am a named plaintiff in the above-titled case. I previously submitted a declaration in this case describing my direct experiences with San Francisco’s homelessness sweeps (Donohoe Decl., Dkt. # 9-4, 2-12 – 2-14).

2. I submit this supplemental declaration regarding my observations at the HSOC encampment resolution that took place on Willow Street on January 31, 2023.

3. All facts set forth in this declaration are based upon my personal knowledge, and, if called upon to testify as to the truth of these facts, I could and would competently do so.

**Observations at HSOC Encampment Resolution**

4. On January 31, 2023, I observed part of an encampment sweep at Willow Street between Polk Street and Van Ness while I was walking around the area. Based on what I know about the area, about 30-40 unhoused people resided at this site.

5. I arrived at the location at approximately 2:30 PM. When I arrived, HOT, SFPD, DPW, ERT, and Community Ambassadors were present. I did not see any notices posted in the area despite checking.

6. I spoke with a friend, who is an unhoused individual living at the site. He was told that if the people present at the site did not comply and move from the encampment, SFPD would have them put in jail. My understanding from these orders was that unhoused individuals were not to return to the area.

7. I observed several Department of Public Works (DPW) workers going through the encampment and throwing away unhoused people’s property. I heard one City worker say that “everything must go.” While unhoused people in the encampment were continuing to pack up their belongings, DPW workers picked up materials without asking the people present what items they wanted to keep and what items should be discarded.

8. The workers loaded what appeared to be many personal items into their dump trucks, including numerous tents, carts, and bikes. No apparent attempt to bag and tag these items

1 was made.

2 9. During my observation, I saw only two people receive transport to a shelter and it  
3 seemed as if other folks did not receive access to shelter. Nonetheless, at the end of the sweep,  
4 almost all of the unhoused individuals had vacated the site.

5  
6 I declare under penalty of perjury that the contents of this declaration are true and correct to the  
7 best of my knowledge in San Francisco, CA.

I, Andrew Berger, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify I could competently do so.

3. I am 31 years old. I have been involuntarily homeless for the past 17 years on and off, since I was 14 years old. I lost my apartment in Paradise, California after the Camp Fire there in 2018. I have been homeless in California since then, struggling to find housing.

4. For the last two or three months, I have camped in my tent on Leavenworth Street in San Francisco (“City”), on the block between Ellis and O’Farrell.

5. Starting in early 2023, the City and its workers began coming to my tent and the others on that block, telling us that we would have to pack up. For the first real week of January 2023, the City workers were not that bad. They would tell us that we would not actually have to move, that they were just cleaning up, and that all we had to do was give them our trash.

6. That lasted a few weeks, however. Starting in mid-January, the City workers started telling us that we would have to move. They would come every four days and tell us that we would have to move or they would take our stuff.

7. On January 27, 2023, the City came and told us to move. This was the SFPD, SFFD, HOT, DEM, and DPW. They told us that we would have to move and that we didn’t have a choice. But then, they suddenly disappeared that day, mid-way through the sweep.

8. The City came back on February 9, 2023, showing up at around 7 Am. They told us that we would have to move. The HOT workers told me that. They did not say what would happen if I did not move.

9. When they told us to move, the HOT workers told me that they would see if they had shelter for me. They said that they would see if they had shelter allocations. At the time, they told me to move, they said that they did not know if they would have shelter for me.

10. After they told me to move, I packed up everything I could and carried it up the block. I was not able to take all my belongings with me. I watched DPW workers throw the rest of my

1 stuff in their dump truck. I lost a few backpacks worth of belongings as I hurried up the block.

2

3 I declare under penalty of perjury that the foregoing is true and correct and that this declaration  
4 was executed on February 9, 2023 at San Francisco, California.

I, Katelin Bagley-Adams, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify

I could competently do so.

2. I am involuntarily homeless. I am 30 years old. I have been homeless, living on the streets of San Francisco (“City”), for approximately the last three years. I have been homeless since the City towed the RV in which my husband and I had been living.

3. I currently camp with my husband on Leavenworth Street just north of Ellis Street. We have been camping at this spot for the last few months.

4. On or around February 6, 2023, City workers with the Tenderloin District came by and put up a notice at our encampment. The notice, which is attached hereto as **Exhibit A**, said that we would have to move on February 9, 2023. The City workers posting the notice told me that they would be coming back on Thursday with the police and that we would have to move then.

5. I asked the City workers why they could force us to move. I told them that I thought they could not force us to move because there was an active court case. The City worker I told this to just shrugged and said that we would have to move so that they could clean the street.

6. On Thursday, February 9, 2023, the City came back. There were workers from SFPD, SFFD, DPW, HOT, et cetera. There were so many of them, more than twenty, with a lot of vehicles. They showed up at approximately 7 AM.

7. At approximately 8 AM, the police and other City workers started telling people that they would have to move. One of the HOT workers came up to me. He told me that all the tents would have to be down today. Shortly after that, someone from the City came by and started shaking our tent, telling us that we had to get out of our tent and move. They told us that if we did not move they would take our belongings.

8. Because of these threats, I immediately started packing up my tent to move along. I did

1 not want to lose my belongings.

I, Helen Hoffman, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify I could competently do so.

2. I am 55 years old. I am involuntarily homeless. I have been homeless for the last two weeks, when I was evicted from my apartment of 18 years after my partner was arrested. I was not on the lease and could not find another apartment, so I lost my housing. My apartment had been in the Tenderloin in San Francisco (“City”).

3. Approximately two weeks ago, I began sleeping in a tent that I had bought from Target. I keep my tent on Leavenworth Street in San Francisco, on the block just south of Eddy Street.

4. On or around January 30, 2023, City employees with the San Francisco Police Department (“SFPD”), Homeless Outreach Team (“HOT”), and the Department of Public Works (“DPW”) came by my tent and told me that I would have to move in two days so that they could clean the sidewalk. They did not say what would happen if I did not move.

5. Two days later, on February 1, 2023, the City did not show up. I had spent the previous two days packing up but the City never showed up.

6. On February 6, 2023, the City came back. HOT workers said to me that day that they would return on Thursday, February 9, 2023, and that I would have to move that day. They said that if we did not move they would take our property – including my tent – and hold it for 90 days. They said that there was a recently passed new law that allowed them to do that. The police were behind the HOT workers the whole time, looking at us threateningly. I felt like I could not say anything or push back on what the City was saying because the police were there.

7. On February 9, 2023, the City workers came back as promised. There were a lot of City workers: HOT workers, SFPD, DPW, SFFD, et cetera. They arrived at around 7 AM. The DPW workers and HOT workers told me that I would have to move, along with the other people camping near me. They told me that if we didn’t they would take our belongings, including our tents, for 90 days. They said that we would have to move.

8. When the City told us to move, they said that they might have shelter for us, but they

1 said that they didn't know if or what type of shelter beds they would have. They did not say when  
2 they would know that they would have the shelter beds. Still, they said that we would have to  
3 move.

4 9. I asked the City workers where we could go. They told me that I could not stay on the  
5 street that I was on.

6 10. At approximately 9 AM, I moved my tent with the help of two other people in the  
7 encampment. We moved because I did not want to lose my belongings. A photo of two of my  
8 friends moving my tent is attached hereto as **Exhibit A**.

9 11. I feel like the City telling us to move like this is not right. It is harassment. They could  
10 clean the street without moving us. But instead they treat us like it is our fault that we are out here,  
11 but this isn't a choice. I don't want to be out here.

12  
13 I declare under penalty of perjury that the foregoing is true and correct and that this declaration  
14 was executed on February 9, 2023 at San Francisco, California.

**SUPPLEMENTAL DECLARATION OF DONOVAN HARDING**

I, Donovan Harding, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify I could competently do so.

2. I am 31 years old. I was evicted from my home. I have been staying on the street in the Tenderloin for approximately 3 months. I am involuntarily homeless.

3. On February 7th, I saw a letter on a tree that said I would have to move. On February 9th I woke up to Patrick from SFFD grabbing my foot at 7 in the morning. He told me I had to move, pack up my shit, and leave. They did not tell me what would happen if I did not move.

4. At 9 AM, they threw my belongings into a dump truck right in front of me without saying a word to me. Then Patrick from SFFD said to me you haven't done shit today and you have to move now.

I declare under penalty of perjury that the foregoing is true and correct, and that this declaration was executed in San Francisco.

**DECLARATION OF HENRY JONES**

1  
2 I, Henry Jones, declare:

3 1. I have personal knowledge of the facts set forth in this declaration and, if  
4 called to testify, could competently do so.

5 2. I am currently homeless. I have been homeless since July 28, 2022. I am involuntarily  
6 homeless. I have been sleeping in a tent on Sherman Street near Victoria Manalo Park since  
7 December 6, 2022.

8 3. On or around February 6, 2023 City officials came to my tent at approximately 7 AM.  
9 They told me that they were with the Homeless Outreach Team and that I had to move. They told  
10 me that if I did not move they would take my tent and go through my belongings.

11 4. That morning, they told me that I would have to move within the next few hours. I told  
12 them that I had thought there was a court order that prevented them from sweeping me. They told  
13 me that they did not care about the court order and that I would have to move.

14 5. At approximately 7:10 AM – only 5 or 10 minutes after they had told me to move – the  
15 City workers began throwing out my belongings. They threw away my bikes, two sets of tires, a  
16 dog stroller, a pair of shoes, and a lot of other possessions. None of it was trash. I told them that  
17 the belongings weren't trash and I wanted them back. They told me that the belongings were  
18 already on the truck and that I couldn't have them back. The incident commander, SFFD Captain  
19 Patrick Mullaney, told me, "Once it's on the truck, it's on the truck," and refused to give me my  
20 belongings back.

21 6. I then noticed that my dog was missing. I didn't see where my dog had gone, so I asked  
22 some people on the other side of the street what had happened to my dog. They told me that the  
23 City workers had taken my dog. I then went back up to the SFPD officers to ask for my dog back.  
24 They told me that they could not help me.

25 7. I spent the next thirty minutes looking for my dog, but I couldn't find him. I never found  
26 my dog and still have not.

27 8. At approximately 9 AM, the City left. They just left. They did not tell me why they had  
28 left or whether I would still have to move. It felt like they had come by just to terrorize me, to take

1 my belongings, and for no other reason.

2 9. On February 14, 2023, the City came back. They told me at approximately 7 AM that I  
3 would have to go and that all of my belongings would have to be moved. Patrick from SFFD told  
4 me that I would have to move. He did not tell me what would happen if I didn't move.

5 10. At first, Patrick told me that I would have to move by 11 AM. Then, he told me that I  
6 would need to move by 3:30 PM. He said that if any of my stuff remained on the block, they would  
7 throw it away.

8 11. I am tired of being constantly harassed by City workers, who come by, give me  
9 contradictory orders, and take my belongings with no notice. It seems like they can abuse me and  
10 other people on the street, and I can't do anything about it.

11  
12 I declare under penalty of perjury that the foregoing is true and correct, and that this declaration  
13 was executed on February 14, 2023 at San Francisco, California.

**SECOND SUPPLEMENTAL DECLARATION OF JOSHUA DONOHOE**

1  
2 I, Joshua Donohoe, declare:

3 1. I have personal knowledge of the facts set forth in this declaration.

4 2. I am a plaintiff in this action. I am 33 years old. I live in San Francisco (“City”).

5 3. On March 1, 2023, at approximately 8:30 AM, I went to an encampment located at  
6 O’Farrell Street between Jones Street and Taylor Street in the City. One of my friends was staying  
7 at this encampment and I went to visit them.

8 4. At approximately 10 AM that day, workers with the City’s sweep team showed up. There  
9 were workers from the Homeless Outreach Team (“HOT”), San Francisco Fire Department  
10 (“SFFD”), San Francisco Police Department (“SFPD”), Department of Public Works (“DPW”),  
11 and San Francisco Municipal Transportation Authority (“SFMTA”). I counted approximately 2  
12 cops, 2 firefighters, 3 DPW workers, 3 DPW trucks, 2 cop cars, and 4 HOT workers at least.

13 5. At approximately 10:15 AM, the SFFD officer came by. He told me and my friends that  
14 the HOT team was here to offer shelter and that after that DPW would be cleaning the sidewalks.  
15 I asked him what would happened if we refused to move. He told us that we would have to move  
16 and leave the area. I told him that that was incorrect. I told him about the court order and said that  
17 the owner of one of the tents was not there.

18 6. I told him that the City had not posted any notice of the sweep, as I did not see any notice  
19 posted near any of the half dozen tents I saw on the block. He first told me that the City did not  
20 have to post written notice of the sweep. He then told me that the City had posted the required  
21 notice.

22 7. Five minutes later, the SFFD officer came back to talk to me again. This time, he told  
23 me that he agreed with me and that there had not been any notice posted of the sweep. He said that  
24 because the City had not posted notice we would not have to move. Although he told me that, I  
25 did not see him go back around to the other people he had already talked to and tell them that they  
26 did not have to move. The people in the encampment were all hurriedly packing up.

27 8. I then went to talk to the other people in the encampment. They all told me that they had  
28

1 been told to move and that no one had come by to say that they did not have to move.

2

3 I declare under penalty of perjury that the foregoing is true and correct, and that this declaration  
4 was executed on March 1, 2023 in San Francisco, California.

**DECLARATION OF COREY BARKLEY**

I, Corey Barkley, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am currently homeless. I have been homeless for approximately three years now, the last 2.5 years in San Francisco (“City”). I mostly sleep in a tent near the corner of Masonic & Geary in the City. I am involuntarily homeless. I am 33 years old.

3. In the last two and a half years, I have been swept approximately 20 times by the City. The City workers come every month or so to tell me to move.

4. I have been swept approximately six times since December 24, 2022. These sweeps have not looked any different than those before then. I was only offered shelter at two of these sweeps.

5. I have a hard time trusting the City’s offers of shelter. Approximately six to eight months ago, I was camping on Masonic near Geary Street. Around 7 AM one morning, the HOT workers came up to me. They asked me if I was interested in shelter. I said yes. They told me that I could go to an SRO on Post Street. I said yes. They told me that they would come back to pick me up.

6. I then waited on the curb for three hours but no one came. I just sat there and waited but they never came. As I waited, DPW workers took some of my bedding and clothes, which I let them take because I thought I was going to shelter. But no one ever came and I just ended up losing those belongings.

7. Since then, the HOT workers often reference that incident when they talk to me. They tell me things like, “Oh, you’re the guy we forgot about that time.”

8. Approximately one month ago, in or around late February 2023, the SFPD and DPW showed up to my tent and approximately noon one day. They told me that we would have to move within the next hour. HOT team was not there; it was only SFPD and DPW, so no one offered any shelter. No one offered shelter, they just said we would have to move. They did not tell us why or for how long.

9. That day, I lost a bed, some flashlights, my tent, and other belongings. A DPW worker threw it all in the back of his truck. He did not offer to store any of my property. I didn’t know where I could take the bed and tent and couldn’t carry the bed across the street, so I felt I had no

1 other options because they didn't offer to store it.

2 10. The most recent sweep I've experienced was on March 23, 2023. A few days before,  
3 the City came by and told us that they would be sweeping, but no one put up any notices, so I  
4 thought they weren't coming.

5 11. I first learned that the City was doing a sweep at around 1:30 PM on March 23. I was  
6 a few blocks away asking people for money so I can get something to eat. My friend at the  
7 encampment called me and told me that they were sweeping and that I should come back right  
8 away so that my belongings don't get taken. I hurried back to my tent.

9 12. When I got back to my tent, I moved it to the other side of the street, thinking that I  
10 would be okay there. Shortly after I had done so, someone with the HOT team came up to me. He  
11 asked me if I "wanted to go inside." I did not know what he meant. That offer means nothing to  
12 me. He did not offer me anything more specific than that. He then told me that DPW would be  
13 there shortly and that I would have to move from my new spot, before walking away.

14 13. I have had very bad experiences at some of the City's shelters, so I am hesitant when  
15 they don't say what shelter they are offering. When I first started living on the street of the City, I  
16 accepted an offered for a Navigation Center when they asked me, "Do you want to go inside?"  
17 without saying more. When I said yes, they transported me via ambulance, which was  
18 embarrassing. I arrived there, they told me that I couldn't bring anything with me. I had to empty  
19 out my pockets and was given a list of everything I could not have.

20 14. I stayed at that Navigation Center for two days. I felt like a cow in a slaughterhouse,  
21 packed in butt to elbow with everyone else. It was very claustrophobic. I have paranoid  
22 schizophrenia, and this environment was terrible for me. I felt trapped and kept thinking that  
23 someone could come in there with a gun and shoot the whole place up. I felt herded in, like I was  
24 in a compound. It really hurt my mental stability.

25 15. Since that time, I haven't been able to go back to Navigation Centers. But the only  
26 shelters I have been offered – if the City provides specifics at all – is to go to the Navigation  
27 Centers. That simply doesn't work for my disability.

28 16. Some of the City workers are very hostile and seem to want to destroy our belongings.

1 There is one Fire Chief who leads the sweep team who is particularly vicious. At one sweep, this  
2 Fire Chief repeatedly told me that I would have to move each time I had packed up and moved  
3 down the block. Each time I packed up and moved, he would come back and tell me that I could  
4 not stay where I was, without telling me where I could go. At another sweep, he picked up a tent  
5 that one of my friends was staying in and threw it in the back of a DPW truck, even as I told him  
6 that my friend was staying in the tent and would return shortly (my friend wasn't there at the time).

7 17. I have never seen the City store any property during a sweep. I've also never had the  
8 City offer to store any property for me. The City always only gives me two options: take what I  
9 can carry or lose it.

10 18. Shortly after completing this declaration, DPW came back. Without asking me, they  
11 grabbed my belongings and threw them in their dump truck. I lost my sleeping bag and all of my  
12 food. I tried to grab my bedding from the truck, but an SFPD officer stopped me, telling me that I  
13 could not grab anything from the truck. It is cold tonight and I don't know what to do.

14

15 I declare under penalty of perjury that the foregoing is true and correct, and that this declaration  
16 was executed on March 23, 2023 in San Francisco, California.

I, Thomas Draper, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am currently homeless. I currently live in my tent in San Francisco (“City”) on Fern Street between Larkin Street and Polk Street. I have been living on or near this location for approximately nine months. I am originally from San Francisco. I am involuntarily homeless. I am 38 years old.

3. On March 30, 2023, at approximately 9 AM, I was walking from BART – after going to visit my family – when a friend of mine texted me and told me that the City was here to do a sweep. I hurried back to my tent.

4. When I got back to my tent, I saw a lot of City worker standing around or near my tent. I saw approximately five cops, some DPW workers, some HOT workers, and other City workers. I stood next to my tent and tidied up my belongings.

5. In the past nine months, the City has come by to do street cleaning every two to three weeks. Because I am not blocking the sidewalk or the street, the City has not forced me to move in the past. I only have to tidy up my stuff and then I’m allowed to stay where I am.

6. This time, however, was different. At approximately 11 AM, some City workers in tan jackets came up to me. They told me that I would have to move off the block for street cleaning and a big event. They told me I had to move but did not tell me where I could go. They did not tell me what would happen if I did not move. They also did not tell me how much time I had to move. They only asked me how much time I needed but did not say when I’d have to go.

7. When these workers came up to me, they did not offer me shelter or any other City services. They just told me that I would have to move.

8. I do not see any posters or notices up on the block about any street cleaning or coming events.

I declare under penalty of perjury that the foregoing is true and correct, and that this declaration

1 was executed on March 30, 2023 in San Francisco, California.

**DECLARATION OF TROY HAWTHORNE**

I, Troy Hawthorne, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am currently homeless. I am involuntarily homeless. I currently live in a tent on King Street near Berry Street in San Francisco (“City”). I have been camping in this spot for approximately nine months now. I have been homeless in the City since 2015, living on the street most of the time. I am 39 years old.

3. I have a disability. I have broken my neck twice, in 2000 and 2019, meaning I have a lot of neurological damage. One of my feet has drop-foot, meaning that I cannot use it. I have trouble with balance. I have had three traumatic brain injuries and 19 concussions. Due to these injuries, I have a lot of trouble focusing and with my memory. I can’t concentrate on anything. Due to these issues, I can’t work.

4. Because of my disabilities, I use a wheelchair to get around. I can currently only walk 20 feet without my wheelchair. I need to use a cane for that.

5. I also have severe PTSD. In January 2018, while I was living in a tent on 5<sup>th</sup> and Harrison in the City, my tent was lit on fire by some kids while I was inside. I barely escaped. I had 3<sup>rd</sup> degree burns on 38% of my body. The doctor had to amputate seven fingers because they were so badly burned. I was hospitalized for seven months. Since then, I get night terrors in which I wake up screaming. I struggle with paranoia and trusting other people.

6. I have been in shelter in the City in the past. They have not worked for me. In or around 2020, I was placed in a Project Roomkey shelter. I stayed there for around two months. My PTSD made it very difficult for me to be there with other people.

7. I currently live on the street with my 17-year-old son Aaron. I take care of him.

8. On April 6, 2023, at approximately 9 AM, City workers with the HOT team came to talk to me at my tent. They told me that the City was doing a sweep and asked if I was interested in shelter. I said yes. They then told me that my son could not go with me. They did not tell me why that was the case. They then offered me a hotel room that I would have to share with two other people. I told them that I couldn’t do that because of my PTSD and my son. After that, they did

1 not offer me anything else.

2 9. Despite my disabilities, no City workers offered to help me move my stuff or give me  
3 more time because of my disabilities. When I was talking with an investigator with the ACLU, a  
4 SFFD Fire Captain came up to me, told me I would have to move off the street, and told me that  
5 the ACLU investigator would be able to help move my stuff. The ACLU investigator then helped  
6 move my stuff. No one from the City helped.

7 10. I do not know what I'm going to do tonight, April 6, 2023. I could not move my tent  
8 on my own, so I'll have to see if I can buy another one. I'll have to find a new place to sleep until  
9 the next sweep.

10 11. The City workers have told me that they will take me to COMPASS to put me on the  
11 waitlist for housing, but they said they don't know how long that will take – it won't be tonight.

12  
13 I declare under penalty of perjury under the laws of the United States of America that the foregoing  
14 is true and correct, and that this declaration was executed on April 6, 2023 in San Francisco,  
15 California.

**DECLARATION OF KRYSTLE ERICKSON**

I, Krystle Erickson, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if called to testify I could competently do so.

2. I am involuntarily homeless. I am 42 years old. I have been homeless, living on the streets of San Francisco (“City”), for approximately 8 years.

3. I currently camp in a tent in Erie Alley. I have been staying in Erie Alley for about a year.

4. Several months ago, after the new year, DPW came through Erie Alley where I was staying. Only DPW was present; they came with approximately 4 trucks. The trucks already had items in them, as though DPW had previously been to other locations that morning.

5. DPW had posted no notice that they would be coming. Many of us had heard about the injunction and so were not expecting them to come and take our property with no notice.

6. When DPW arrived, they did not give us any option for anywhere else to go. No shelter offers were made.

7. That day, they took a bunch of belongings of mine that were by the side of my tent. My belongings were set neatly to the side of my tent and covered with a tarp. DPW took a brand-new Weber grill of mine that I had just recently purchased, which I had planned to cook steaks on. They also took some dishes and other camp gear. They took a suitcase with some of my clothes in it as well. There was no attempt made to bag and tag any of my or my friends’ property.

8. I saw DPW tearing down my neighbor’s tent, which was momentarily unattended. We shouted at DPW that the tent was clearly not abandoned or trash, and asked if any of our belongings would be bagged and tagged. They ignored us and continued throwing things into their trucks.

9. In total, I saw DPW take down 4 or so tents or tarps. They took several people’s whole camps, just because the people who were staying there had stepped away for a moment. These were clearly set-up camps where people were obviously staying. I heard the workers declare

1 these momentarily unattended items abandoned and trash, then they threw them away.

2 10. It had been raining the night before, and the forecast predicted more rain later on. I  
3 did not understand why DPW would take someone's tent or tarp in that weather.

4 11. Approximately one week ago, someone came by and told me verbally that the City  
5 would be coming in a few days and that we would have to move. There was no indication that the  
6 move would be temporary. There was no posted notice.

7 12. I have not seen the City since then. I am not sure if they will come and force us to  
8 move. To my knowledge, no paper notice has been posted about this sweep.

9 13. I have noticed that, since the injunction, DPW will drive by and not pick up trash,  
10 even when it is clearly set aside and we want them to take it. We want clean streets also—I would  
11 like for DPW to pick up trash and keep the street clean, so long as they are not taking people's  
12 clearly unabandoned property.

**DECLARATION OF NOAH VAN HARIN**

I, Noah van Harin, declare:

1. I have personal knowledge of the facts set forth in this declaration, and if call to testify I could competently do so.

2. I am involuntarily homeless. I am 30 years old. I have been homeless for approximately 4 years, living on the streets of San Francisco (“City”), for approximately the last 2 years.

3. In approximately February 2023, the City conducted a sweep where I was staying on Woodward and 14<sup>th</sup> Streets. They had posted one notice, but they only posted one notice, on a pole far away from where we were. I did not see the notice and therefore did not know the City would be coming.

4. About an hour before the sweep, an SFPD officer drove by to give us verbal warning that DPW would be coming. He said he would come back when DPW arrived. However, he never came back.

5. Only DPW was present during this sweep. I do not recall the HOT team being present that day; if they were, they did not talk to me. I was not given any offer of shelter.

6. DPW gave us approximately 30 minutes to try to gather what we could and move it out of the area before they started throwing away everything we had not yet moved. My then-partner and I immediately began grabbing our most valuable possessions and moving them across the street, but we were not able to move everything. As I tried to move some of my property across the street, away from the sweep. Every time I turned my back, DPW would grab more of my things.

7. They threw a few of my belongings onto their DPW truck, and they would not allow me to take them back. I heard the head DPW person point at my guitar case and say specifically to grab that. They threw it on the truck. He wondered what was in it and opened it, and he was upset that my guitar was not inside. I wanted my guitar case because I do own a guitar, and I asked specifically to get it off the truck, but he would not allow me to take it off the truck. They took suitcases with clothes in them as well, and also my tent.

8. There was no mention of bag and tag. In my recollection, I have never actually

1 heard the City talk about bagging and tagging our property. In the past, I have been to the DPW  
2 yard and have never been successful in retrieving any of my property.

**DECLARATION OF STEPHANIE GARCIA**

I, Stephanie Garcia, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I have been involuntarily unhoused for the past couple of years with my husband in San Francisco. We have been in TL, Willow, Ellis, San Bruno SIP hotels and have never been provided with housing. The hotel was shut down.

3. We try to keep our area clean. If we are not present, our stuff is taken by City workers. DPW and police force moves so fast I have to leave stuff behind. HOT comes and says they will return but never do. No posted notices, ever.

4. The police say move, and whatever I can't take, DPW removes. Never offered bag and tag. Then we move back after they leave.

5. We've lost tents, hygiene products, cell phones. Sometimes this causes us to lose each other and have to search since no phones.

6. The most recent sweep was near the end of February.

7. The City is not helpful at all—it's a hassle.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed on April 24, 2023 at San Francisco, California.

**DECLARATION OF ABIMOLA MYERS**

I, Abimbola Myers, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am currently homeless. I have been homeless for approximately the last 20 years. I have lived on the streets of San Francisco (“City”) for the vast majority of that time. I am involuntarily homeless. I am 40 years old.

3. I typically sleep in a tent near or around O’Farrell Street and Jones Street in the City. I live in my tent with my girlfriend.

4. I have been swept by the City approximately 50 times in the last year. The City comes by every week to tell me to move. When the City comes, I never know they are coming in advance of that day. There is no posted notice. The City just shows up in a convoy of vehicles, with the Police Department, DPW, SFFD, and the HOT team coming all at once. When they come, they all begin doing their work at once. They HOT workers will come talk to me while the DPW workers start grabbing my belongings and throwing them into their dumpsters. The HOT always want me to talk to them and answer their questions while the other workers are taking my stuff. It’s always impossible to feel like I can talk to them.

5. I have lost so much property during these sweeps. I have lost tents, sleeping bags, bikes, coolers full of food, blankets to keep warm during winter, backpacks full of my coin collection, cell phones, and other belongings.

6. I have not noticed any change for the better since the court order in late December. In fact, the City ramped up its sweeps in January 2023. I have been swept at least 10 times since the beginning of the year. Sometimes they come twice a week, as if they are looking for the knockout blow. They have grabbed bikes, tents, and other property without any warning during these sweeps. No notice was posted at any of these sweeps except for one in late February.

7. At one sweep in or around January 2023, near the beginning of the month, the City showed up at around 9 AM. There was no notice posted – I did not know they were coming except for a bad feeling in my gut. They told me that I would have to move and that if I did not move they would have DPW grab my stuff and throw it in the trash. One of the SFPD officers told me this.

1 He told me that if I did not move I would suffer the consequences.

2 8. That officer told me that if I did not move he would run my name and arrest me if I had  
3 an active warrant. I have an old failure to appear warrant for an old driving without a license  
4 violation. I hurriedly packed up my stuff and left so that I would not get arrested.

5 9. That day, an SFPD officer told me that I could not take all of my belongings with me.  
6 He told me that I could only take three bags of property and that they would throw out the rest.  
7 They did not offer to bag and tag my property. In fact, the City has never offered to bag and tag  
8 my property. They have only ever offered me two options: bring what I could carry with me or  
9 lose it forever.

10 10. The HOT team did not come out that day. No one offered me or my girlfriend shelter  
11 during that sweep.

12 11. In the last two months, when the HOT team does come out and offer shelter, they only  
13 offer shelter for single people. My partner and I would have to be separated to accept this shelter.  
14 One time in or around January 2023, late in the month, a HOT worker told me that they did not  
15 have any housing for couples available but that they would come back when they did have that  
16 shelter available. I still was told to move that day. The HOT team never came back to offer couple  
17 shelter as they had promised.

18 12. On March 1, 2023 at approximately 8:00 AM, one DPW worker came by my tent at  
19 Jones and O'Farrell and told me that the City would be coming by later to do a sweep. This was  
20 the first I had heard of the sweep. The City had not posted notice of the sweep.

21 13. At approximately 10 AM that morning, the City came back. There were approximately  
22 10 workers there that morning: people from HOT, DPW, SFMTA, SFFD, and SFPD. I saw dump  
23 trucks, cop cars, parking violation vehicles, and HOT vehicles.

24 14. After they showed up, an officer with SFFD came up to me. He told me that the SFFD,  
25 HOT, DPW, and SFPD were all there for a sweep. He told me that I had to grab what I could and  
26 separate out what was trash. They told me that I could grab my belongings and go up the block,  
27 but I was scared to do so because the City has thrown out my belongings in the past when I have  
28

1 left them for 15 minutes.

2 15. After I talked to the Fire Department officer, an SFPD officer came up to me. He told  
3 me that I would have to move. He did not tell me why I would have to move or what would happen  
4 to me if I didn't move. He told me that I would have to move and that I had accumulated too many  
5 belongings.

6 16. I then briefly spoke with the HOT team. A HOT team worker asked me my name, even  
7 though they come at least once a week to talk to me. She did not offer anything after that. She did  
8 not offer me shelter or any other services.

9 17. I then hurriedly moved what I could off the block. I broke down my tent and wheeled  
10 what I could up off the block. I broke down my tent and wheeled what I could up off the block. I  
11 lost a lot of property, including a boke, a suitcase full of clothing and jackets, a backpack that  
12 included some paperwork for housing and DMW applications, paperwork of family member's  
13 phone numbers, some photos of me and my girlfriend, and other property. I lost all this property  
14 because I only had 30 minutes to an hour to pack up and move my property.

15 18. My partner struggles a lot during these sweeps. She often shuts down and struggles to  
16 pack up anything during the sweeps. I often have to attend to her and calm her down when I'm  
17 also trying to pack up our stuff so that it is not destroyed. It is highly stressful.

18 19. I hate these sweeps. The City targets us. It is 100% targeting. We are solely cast out,  
19 and selected for sweeps by the City. It is highly upsetting.

20

21 I declare under penalty of perjury that the foregoing is true and correct, and that this  
22 declaration was executed on March 1, 2023 in San Francisco, California.

I, Pauline Wise, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am currently homeless, I have been homeless on and off for 15 years. I am 44 years old. I am involuntarily homeless.

3. At the beginning of February at about 7am we were woke up with no warning, someone was shaking our tents and told us we needed to get the hell out of here and that we weren't supposed to be here. I was very scared. As soon as I got out of my tent a person working for DPW got out a big long knife which he used to shred the tent. All of the other workers were shredding other tents.

4. The people working for DPW were taking furniture and drawers full of property and throwing it in the back of the truck. As I was turning around I saw the worker who woke me up lift my dad's guitar in the air and crush it against the sidewalk. That guitar was the last thing I had from my father, and it was destroyed. The workers were laughing the whole time.

5. In my nightstand there were my mom's pearls, engagement ring, and anniversary band. These were very sentimental and they took them. I saw one worker put all of the jewelry into his pocket and get in the truck. I tried telling them those were my mom's but they just responded with they belong to the City now.

6. At a different sweep in late February my \$259 tent from REI was taken by DPW. I never received any notice of this sweep. They also took my laptop, tablet, and phone – I had just purchased. I cannot keep in contact with my family without these things. I also have social anxiety so communicating is very hard without my devices.

**DECLARATION OF PETER CALLOWAY**

1  
2 I, Peter Calloway, hereby declare pursuant to 28 U.S.C. § 1746:

3 1. My name is Peter Calloway and I am above 18 years of age. All facts set forth in  
4 this declaration are based upon my personal knowledge, and, if called upon to testify as to the  
5 truth of these facts, I could and would competently do so.

6 2. I am a Deputy Public Defender at the San Francisco Public Defender’s Office. I  
7 have worked at the San Francisco Public Defender’s Office for approximately 5 years, 2 of those  
8 years as a legal fellow and 3 of those years as a Deputy Public Defender. Because of my work as  
9 a public defender, I am deeply familiar with state and local criminal laws. I was also made aware  
10 of the district court’s injunction in this case because the injunction impacts many of my indigent  
11 clients.

12 3. On April 21, 2023 at approximately 8:19 AM, while walking to work, I observed  
13 three uniformed SFPD officers in a marked SFPD vehicle facing southwest down Stevenson  
14 Street—just west of 7<sup>th</sup> Street. A reference photo of the area from Google Street View is attached  
15 hereto as **Exhibit A**.

16 4. There were approximately a dozen people onsite who appeared to me to be  
17 unhoused. They looked like they had been living outside for some time, were wearing worn  
18 clothes, and appeared to have experienced sun damage. Although I did not see any tents set up in  
19 the area, I believe several of the individuals had suitcases with them. Some people were sitting  
20 down while others were simply standing with their belongings. To my view, none of the  
21 individuals appeared to be blocking the sidewalk in any significant way.

22 5. The SFPD vehicle was either stationary or moving very slowly when I observed  
23 it at approximately 8:19 AM. It flashed its lights and siren, and one of the officers—I believe the  
24 driver—shouted something through the loudspeaker. It sounded like he said, “Let’s go!” This  
25 command seemed directed at the unhoused people onsite, and it was clearly intended to make  
26 them leave the area. I believe they all left the immediate vicinity quickly once the officer shouted  
27 his command.

28 6. There was no indication that any offers of shelter had been made to these

1 individuals. I saw the officers approach the unhoused individuals with their vehicle and believe I  
2 would have heard if they had offered shelter. No other City or County officials were present to  
3 my knowledge.

4 7. I took a photo, attached as **Exhibit B**, identifying the police car and the officer  
5 driving the car. I then approached the officers' vehicle on the driver's side and asked what the  
6 basis was for ordering the unhoused people to leave. The driver responded, "sit and lie." I asked  
7 for the officer's star number, and he said nothing. I leaned forward and identified his star number  
8 as "750."

9 8. The SFPD officer drove the car away slowly. I took another photo, attached as  
10 **Exhibit C**, as the police car drove away. As I continued to watch the area, the SFPD vehicle  
11 proceeded slowly down Stevenson Street with its lights on, made a U-turn, and drove slowly back  
12 down Stevenson toward 7th Street—the area where the unhoused people had just been forced to  
13 leave. The car stopped on Stevenson and 7th Street.

14  
15 I declare under penalty of perjury that the contents of this declaration are true and correct to the  
16 best of my knowledge, and that I executed this declaration on April 24, 2023 in San Francisco,  
17 California.

**DECLARATION OF DAVID MARTIN**

1  
2 I, David Martin, declare:

3 1. I have personal knowledge of the facts set forth in this declaration.

4 2. I am currently homeless. I have been living on the streets of San Francisco (“City”) since  
5 August 2022. I am involuntarily homeless. I currently live in my tent on Fern Street between Larkin  
6 Street and Polk Street in the City. I am 58 years old.

7 3. I have a disability. I have sciatica. I have had sciatica since I was 18. It is debilitating  
8 and causes me extreme pain. I also have chronic neck and knee problems from a motorcycle  
9 accident in the 80s. As a result of my disabilities, I often struggle to pack up my belongings when  
10 the City staff come to tell me to move during a sweep. The City has never offered to assist me or  
11 give me more time to move during a sweep because of my disability.

12 4. I have stayed at multiple shelters in the City, but my experiences there have made me  
13 afraid to go back to congregate shelters in the City. I stayed at one shelter at Saint Anne’s Church  
14 in January 2023 for approximately ten days. The staff there mistreated us terribly. They would  
15 often keep us outside in the raid, not letting us inside during the January storms. There were no  
16 washing facilities. The staff ran the place like a boot camp. For instance, if I tried to set up a fold-  
17 up bed for my disability – so that I would not have to get up from the ground, which is painful to  
18 me because of my disability – staff would take that away, even if I told them I needed the  
19 accommodation for my disability.

20 5. At another City shelter, the Next Door Shelter, on or around the first week of January  
21 2023, I was kicked out after staff falsely claimed that I had been played “hide-and-go-seek” with  
22 the security staff at the shelter. I had no idea what that meant. When I asked them for an  
23 explanation, they claimed that I had been hiding from them and told me to leave.

24 6. I have been swept at least 30 times by the City since August 2022. Since January 2023  
25 I have been swept at least 20 times. Staff have offered me shelter at only some of these sweeps.

26 7. After I left the City shelters in January 2023, I started sleeping in doorways near Bill  
27 Graham Auditorium. Multiple times a week, the City Police would come by and tell me that I  
28 would have to move. This happened nearly every morning at 6:30 AM. They would not offer me

1 shelter – HOT was never there – but only tell me that I would have to move immediately so that  
2 they could power-wash the streets. They never provided notice before these sweeps.

3 8. At one sweep in late February 2023, on the block I was staying at the time (Hemlock  
4 and Larkin in the City), an SFPD officer came by and told me that I had to move or he would arrest  
5 me. He did not tell me what he would arrest me for if I did not move. I hurriedly packed up, hurting  
6 my back, so that I would not get arrested. No one offered me shelter that day.

7 9. I have lost a lot of personal property during sweeps because the City doesn't give me  
8 enough time to pack up. I have lost phones, bedding, food, clothing, a brand new backpack, and a  
9 lot of other property. The City has never offered to store nor has stored any of my property for me.  
10 At one sweep in January 2023, I asked a police officer if the City could store my property. He  
11 refused.

12 I declare under penalty of perjury that the foregoing is true and correct, and that this declaration  
13 was executed on March 30, 2023 in San Francisco, California.

**DECLARATION OF SAVANNAH WALTIER**

I, Savannah Waltier, hereby declare pursuant to 28 U.S.C. § 1746:

1. I am an intern with the Coalition on Homelessness (“COH” or “the Coalition”). I have been interning at the Coalition since September 2022. I recently graduated from the University of San Francisco with a Bachelor’s Degree in Environmental Science.

2. As part of my work with the Coalition, I regularly monitor San Francisco’s Healthy Streets Operation Center (“HSOC”) encampment resolutions and have personally witnessed over thirteen encampment resolutions.

3. I submit this declaration regarding my observations at HSOC encampment resolutions after the preliminary injunction was issued.

4. All facts set forth in this declaration are based upon my personal knowledge, and, if called upon to testify as to the truth of these facts, I could and would competently do so.

**Observations at HSOC Encampment Resolutions**

5. I have observed at least seven sweeps since the Preliminary Injunction in the above-captioned case was issued on December 23, 2022.

6. *Forced Move-Alongs:* In my observation, during morning sweeps, the City does not know what shelter availability looks like when City employees first arrive to the site. In fact, the Housing Outreach Team (“HOT”) does not appear to know what shelter beds are actually available until at least 9 AM or 10 AM or later. Yet, the City still comes to encampments with a lot of City workers and a heavy police presence well before that time.

7. The sheer number of workers appears to be a scare tactic where unhoused individuals are intimidated into moving along. Often, City workers will arrive and will hover around the area for hours without explaining what is happening to the unhoused people staying at the site.

8. In particular, on February 28, 2023, I observed a sweep at Larch from Franklin to Van Ness in the pouring rain. SFPD, DPW, HOT, SFFD, and SFMTA were all present. Of the four individuals I spoke with, only one reported receiving verbal notice; the other three reported no verbal or written notice. I did not observe any posted notice but did observe a “no lodging

1 zone” sign posted at the site (attached hereto as **Exhibit A**). It did not appear that the City was  
2 giving concrete shelter offers.

3 9. *Property Destruction:* At two different sweeps, I have witnessed DPW workers  
4 seize unhoused individuals’ tents and dump them into the backs of the DPW trucks. These tents  
5 were clearly neither abandoned nor trash. The tents contained other belongings and in usable  
6 condition. I have not witnessed any attempt to bag and tag the tents nor any belongings inside of  
7 the tents.

8 10. In particular, I observed one sweep on March 30, 2023, on Hemlock Street and  
9 Fern Street between Polk and Larkin. SFPD, DPW, HOT, SFFD, and SFMTA were all present at  
10 the site. Of the ten individuals present at this operation, at least two were not offered shelter. DPW  
11 took property from at least four individuals, including a mattress and other items. In my  
12 observation, people appeared to feel pressured to have DPW throw away their belongings.

13 11. This appears to be a pattern, as unhoused individuals appear pressured to give up  
14 some of their items to DPW workers so that DPW will not take the rest of their belongings. I have  
15 observed that unhoused individuals appear reluctant to give up their belongings but, under  
16 pressure from DPW workers standing close by, will designate certain items that DPW can take  
17 so that they could keep other belongings. City employees also take these belongings without  
18 giving the property owners information or notice on how they can retrieve their property.

19 12. I declare under penalty of perjury that the contents of this declaration are true and  
20 correct to the best of my knowledge, and that I executed this declaration on May 24, 2023 in San  
21 Francisco, California.

**DECLARATION OF STEVEN GARRETT**

I, Steven Alan Garrett, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am 45 years old. I am involuntarily homeless and have lived on the streets of San Francisco for 4 and a half years. Within that time, I have had my personal possessions taken by the city a couple of dozen times.

3. I currently live on California Street close to the corner of Presidio Avenue and across the street from the Jewish Community Center.

4. Today at 1 p.m., I was approached by community members who told me that at 1:30 p.m. the San Francisco's HSOC was scheduled to be where. I am now to clean the sidewalk where I live. As far as I know, no one of us who live close together, was previously notified of a cleaning in writing or orally.

5. As it worked out, HSOC never did come this afternoon.

6. Three weeks ago, within the last two weeks of April, I was living on the median at Octavia and Waller, across from the freeway entrance and exit. I needed to go to the GA office. When I returned around 1 or 2 p.m. a DPW pick-up truck was full of pretty much all of my stuff.

7. I asked the DPW worker for him to give me my things back. He said he could not because the things were already in the truck. He did not bag and tag my things.

8. There was a bike and my tent that he did not put in the truck yet.

9. What the DPW worker did take are: my paper work, tools that I needed for my work, socket wrench set, alien wrenches, phone chargers, all my food and the cooler it was in, an inflatable mattress, blankets and pillow, and all my clothes.

10. I felt messed up. I didn't know what I was going to do. But it happens when you're out here on the street. And you never know when it is going to happen.

**DECLARATION OF MAURICE MORAN**

1  
2 I, Maurice Moran, declare:

3 1. I have personal knowledge of the facts set forth in this declaration.

4 2. I am currently homeless. I have been living on the streets of San Francisco (“City”) in a  
5 tent for approximately six months. I currently live in a tent on Mission Street near the intersection  
6 with 7th Street. I am 54 years old.

7 3. I have been swept by City workers many times in the last six months. During these  
8 sweeps I often lose a lot of property that the City takes from me. For instance, during one sweep  
9 two days after my birthday in late September 2022, I lost a lot of brand-new clothing that my ex-  
10 wife had bought for me only two days prior for my birthday. I hadn’t even worn the clothing yet,  
11 but DPW workers took it from me and threw it in a dump truck. When I asked for it back, they  
12 told me that once it was on the truck it wasn’t coming back.

13 4. In another sweep in early January 2023, the City workers took my ID, my SSI card, and  
14 other property that was in a backpack. I had gone away for 15 minutes, down the block, and the  
15 City workers threw out my stuff without asking me first. Without my SSI card, I haven’t been able  
16 to get my SSI for nearly 3 months now.

17 5. That sweep also made me scared to ever leave my tent. I feel like I can’t look for work,  
18 reapply for benefits, or find other help because if I do leave I may come back and all my stuff will  
19 be gone.

20 6. On March 3, 2023, at approximately 9 AM, City workers showed up for a  
21 sweep. There were two City firefighters, two SFMTA workers, four cops, four DPW  
22 workers, and around four HOT outreach workers. The HOT workers came up to me first and asked  
23 me if I was interested in shelter. I told them yes but told them I could not go to a congregate shelter  
24 and sleep near strangers. I was previously raped at one congregate shelter and don’t like to talk  
25 about it, but now I can’t go to sleep or feel safe at congregate shelters. After I told the HOT workers  
26 this, they told me that they did not have any noncongregate shelters to offer me. They then walked  
27 away.

28 7. Shortly afterwards, another man came up. He introduced himself as an investigator with

1 the ACLU. He said that there was a current lawsuit against the City about their treatment of  
2 homeless people.

3 8. Shortly after he talked to me, the City workers' behavior changed. Around that time, one  
4 of the firefighters had told me that one of the tents, which I knew belonged to my friend, was  
5 abandoned. I was worried that they were going to take it. The firefighter then walked away. The  
6 DPW workers then took one tent belonging to a friend of mine, telling me it was dirty and a health  
7 hazard. I had to argue with them to take some of the backpacks and other property out of the tent  
8 so that my friend's stuff was not all destroyed. The City workers with DPW then began pressure-  
9 washing the sidewalk where my friend's tent had been.

10 9. Right after they did all this and I had just talked to the man from the ACLU, the City  
11 workers seemed to change their minds. They told me that they would only be taking that one tent  
12 and all suddenly left, every one of them. I have not seen this happen before. In my opinion, they  
13 left because the man from the ACLU showed up. I am worried, though, that they will come back  
14 soon and force me to move.

15 10. When they came this day, March 3, 2023, they did not give any warning. I did not see  
16 any notice posted and did not know that they were coming.

17  
18 I declare under penalty of perjury that the foregoing is true and correct, and that this  
19 declaration was executed on March 3, 2023 in San Francisco, California.

I, Ronald Wilson, declare:

1. I have personal knowledge of the facts set forth in this declaration.

2. I am a disabled man. I use a wheelchair and have heart problems. I currently live in an SRO, where I have lived for two years after spending eight years on the streets of San Francisco (“City”). I am 33 years old.

3. On March 3, 2023, at approximately 8:30 AM, I went to an encampment at Minna Street and 7th Street in the City to visit some friends.

4. Around a half hour later, at approximately 9 AM, workers with the City’s sweeps team showed up. I saw workers with HOT, DPW, SF Fire Department, and SFPD show up. They began talking to people. I could not overhear what they were saying to the people at the encampment.

5. At approximately 9:45 AM, I overheard the City workers talking. I heard one of them say that they would be returning the next day to force people to move. One of the HOT workers said that they were there to get a head count today and that tomorrow they would be back to force people to move.

6. The encampment at Minna Street has around 9 tents and around 15 people staying at it. At this time, I do not see any notice posted of any street cleaning or sweep even though the City workers said that they would be back only tomorrow to force everyone to move.

7. Shortly after I overheard the City say this, I talked to a man who introduced himself as an investigator with the ACLU. He told me that there is a current lawsuit about the City’s homeless sweeps and practices. Shortly after he showed up, the City all left – all the cops and DPW workers and HOT team members.

8. In my opinion, the City decided to leave, not sweep the encampment today, and come

1 back to sweep the encampment tomorrow because the man with the ACLU showed up.

2

3 I declare under penalty of perjury that the foregoing is true and correct under the  
4 laws of the United States of America, and that this declaration was executed on March 3,  
5 2023 in San Francisco, California.

Ronald Wilson

**[PROPOSED] ORDER**

1  
2 This matter comes before the Court on the motion to enforce preliminary injunction  
3 (“Motion”) by Plaintiffs the Coalition on Homelessness (“Coalition”), Toro Castaño, Sarah Cronk,  
4 Joshua Donohoe, Moliue Frank, David Martinez, Teresa Sandoval, and Nathaniel Vaughn  
5 (collectively, “Plaintiffs”). Having carefully considered the motion and the papers submitted, and  
6 having heard the arguments of counsel, and for good cause shown, the Court finds that:

7 1. Additional monitoring is necessary to assess Defendants’ compliance with the  
8 preliminary injunction due to the complexity of this litigation and the problems associated with  
9 monitoring Defendant’s’ compliance, including the Court’s limited resources to effectively monitor  
10 Defendants’ interactions with hundreds of unhoused individuals each month for compliance with  
11 the preliminary injunction.

12 2. Defendants’ non-compliance with the Fourth and Eighth Amendments and  
13 Defendants’ own policies prior to issuance of the injunction and Defendants’ intrasigence in  
14 demonstrating compliance with the preliminary injunction over the past five months support  
15 additional monitoring to protect Plaintiffs from irreparable harm.

16 **IT IS HEREBY ORDERED THAT:**

17 1. Defendants the City and County of San Francisco, San Francisco Police  
18 Department, San Francisco Department of Public Works, San Francisco Department of  
19 Homelessness and Supportive Housing, San Francisco Fire Department, and San Francisco  
20 Department of Emergency Management (collectively, “Defendants”) must produce periodic  
21 reports under oath regarding Defendants’ compliance with the Court’s preliminary injunction at  
22 all dispatch, enforcement, displacement, property removal/destruction, or other operatoins  
23 involving interfacing with unhoused individuals and their property.

24 2. A Special Master is appointed at Defendants’ expense to assist with the  
25 implementation of the Court’s preliminary injunction, to monitor compliance with the terms of  
26 this injunction, to review compliance reports and the underlying data and certifications, and to  
27 address ongoing compliance disputes before they are raised with this Court.

1           3.       The Parties are ordered to submit a joint letter brief, no more than 10 pages,  
2 otherwise pursuant to the Court’s standing order, within seven days, setting forth the parties’  
3 positions regarding the scope of authority for the Special Master, appropriate candidates for the  
4 position, the scope and frequency of compliance reports, and any underlying data necessary and  
5 sworn certifications to be included in those reports.

6 **IT IS SO ORDERED.**
