President Barack Obama
The White House
1600 Pennsylvania Avenue
Washington D.C. 20500

Dear President Obama:

The undersigned organizations urge you to stand firm on the inclusion of lesbian, gay, bisexual, and transgender (LGBT) families - and the Uniting American Families Act (UAFSA) - in any comprehensive immigration reform legislation.

We are counting on you to ensure that these families are included in any final comprehensive immigration reform legislation. The situation faced by thousands of LGBT binational couples and their families is untenable. Without the ability to sponsor their partners and spouses for immigration, many LGBT Americans and their families face the terrible choice of separating, or leaving the country to live in exile.

We stand ready to work with Congress and the White House to mobilize our grassroots networks in support of comprehensive immigration legislation that provides a timely, clear and humane pathway to citizenship for undocumented people; prioritizes family unity by preserving existing family categories, increasing visas for family categories, reducing wait times for separated families, and ending the discrimination in immigration law that LGBT binational families face; ensures humane enforcement of immigration laws, including due process rights and reforms to immigration detention; guarantees full workplace rights, including wage protections, mobility and the right to organize; and lifts the one-year filing deadline for asylum.

The opportunity to pass inclusive and humane comprehensive immigration reform is a critical, once-in-a-generation opportunity. LGBT families cannot continue to be locked out of the system, suffering separation and exile. LGBT families, and our undocumented loved ones, must be included in comprehensive immigration reform now.

Sincerely,

Advocates for Youth
