Legal Services for Entrepreneurs (LSE), a project of the Lawyers’ Committee for Civil Rights of the San Francisco Bay Area, provides pro bono legal services to community micro-businesses.

Donna Tubbs has made her grandmother’s buttery almond toffee for friends and family for over 40 years. Gavin Escolar’s custom, handmade jewelry celebrates the diversity of love. Ismael Diagne introduced the SF Bay Area to the healing properties of West African herbal teas while supporting cooperative, fair trade practices in Senegal. Tina Ferguson-Riffe hires people who’ve had a hard time finding jobs to cook her mouth-watering barbecue. Delia Suarez created a Spanish-language First 5 California daycare for low-income children in the Bayview District of San Francisco. Kathleen Hackett is a mom-entrepreneur with delicious and unique popcorn flavors crafted with love. Antoinette Sanchez whips up gourmet funnel cakes and hand-spun cotton candy to bring out the kid in each of us.

These are just a few of the entrepreneurial clients featured in Shop LSE 2014/2015, who came to the Lawyers’ Committee’s Legal Services for Entrepreneurs (LSE) and worked with pro bono attorneys to form and grow their businesses.

As you plan parties and luncheons and look for gifts and services, please check out Shop LSE 2014/2015 and support these community businesses. In it you’ll find a plethora of goodies: from sweet potato pies, to spunky flannel pajamas, gourmet gift boxes, all-natural bath and body care, farm-fresh soul food, homecare services, coffee delivery services... and the list goes on.
