Legal Services for Entrepreneurs (LSE), a project of the Lawyers’ Committee for Civil Rights of the San Francisco Bay Area, provides pro bono legal services to community micro-businesses. Help them thrive with your support this holiday season and throughout the year!

Introduction

Nite Yun is a Cambodian refugee who offers traditional dishes from her country such as Cambodian noodle soup. Maxime Pouvreau is an experienced pastry chef who crafts gourmet puddings and mousse that are similar to the ones from his home in the south of France. Kathleen Hackett is a mom-trepreneur with delicious and unique popcorn flavors crafted with love. Ayanna Makalani provides Pilates and Yoga services that help increase strength, flexibility, and reduce stress. Seth Sundberg is a former NBA player who makes and sells healthy granola bars with the goal of hiring formerly incarcerated men and women.

These are just a few of the entrepreneurial clients featured in Shop LSE 2015/16, who came to the Lawyers’ Committee’s Legal Services for Entrepreneurs (LSE) and worked with pro bono attorneys to form and grow their businesses.

As you plan parties and luncheons and look for gifts and services, please check out Shop LSE 2015/16 and support these community businesses. In it you’ll find a plethora of goodies: from sweet potato pies, to spunky flannel pajamas, gourmet gift boxes, all-natural bath and body care, farm-fresh soul food, homecare services, coffee delivery services... and the list goes on.
